

Three Mates, One Lucky Gal. Wolf Child is Live!

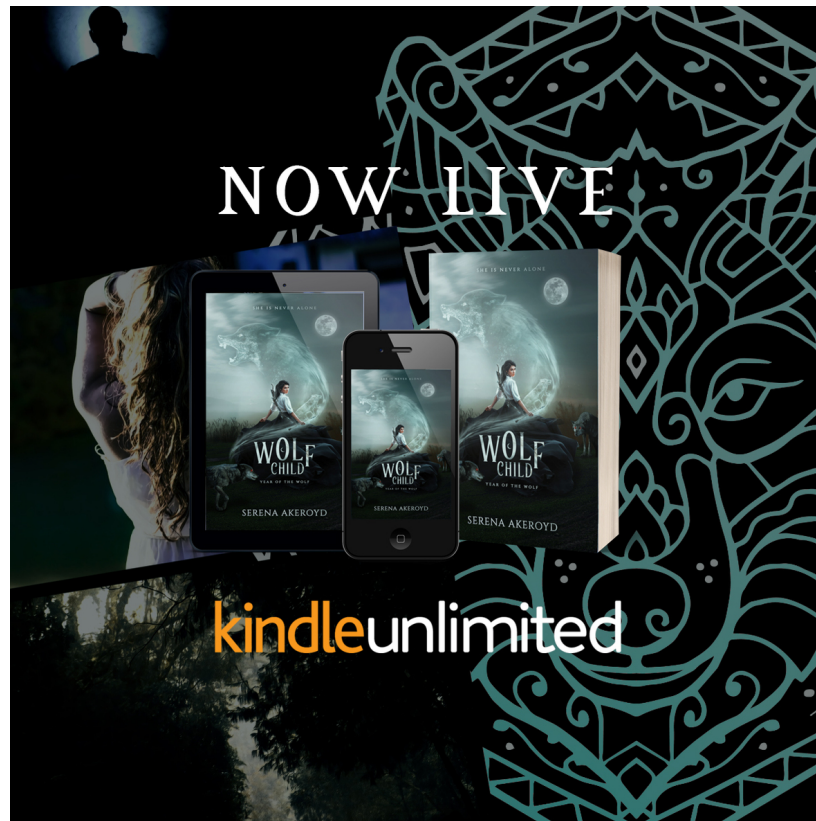

Hi Divas!

I hope you ladies are doing well! It is release day here and with it comes the usual jitters! SQUEEEEE!!! Because Wolf Child... it is such a special story! I have left a piece of myself in this book and I hope you will love reading it as much as I have loved writing it! But these characters are so chatty!!! I'm already 30K deep into Moon Child, the second book in The Year of the Wolf Series.

When you pick it up, please tell me what you think! I always love hearing from you! You can simply answer back to this email and it will come directly to me, or you can post a review on Amazon, Goodreads or Bookbub. I read those too ;)

As always with my books Wolf Child is live on Amazon and free to read in KU.

I have to say that I am humbled by the reviews that have started to trickle in. I've included a few of them here to give you a taste of what readers are already saying about my latest book baby!

The Romantic Rush Blog - *Serena Akeroyd's imagination never ceases to amaze me- she's one of the most creative, prolific writers in the romance world, consistently creating complex and captivating worlds teeming with dynamic characters and emotional connections.*

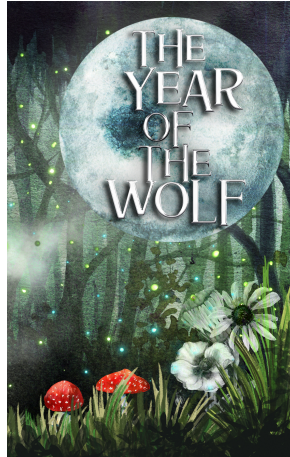

Goodreads Reviewer *Have you ever read a book and instantly fallen in love with the characters? Like, completely fallen for them within the first chapter of the book? Like no literary foreplay needed? Well, that's exactly what happened to me here. And that's never happened to me before.*

Goodreads Reviewer *This book was absolutely fantastic! From the incredible storytelling, to the beautiful, descriptive scenes Serena so wonderfully depicted, to the stunning, powerful characters she created.*

So on that note, I'll go do a few laps in the pool to try and get rid of that pent up release day energy! And then back to the writing cave I go! Steel is with my editor, and I am working on Filthy Dark as well. Lots of book goodness coming to you this summer!

Much love,
Serena

SC DAIKO's hot new release

Dirty Rocker by SC DAIKO

HAYLEY

I've been tasked with 'babysitting' a DIRTY ROCKER. Pierce Fox, heart-throb drummer for British rock gods, ChiMera. He's hot, undeniable, and a walking disaster. Pierce has a vulnerability, a soft side that reels me in. A man full of darkness but shot through with light.

He sweeps me away in a riptide of emotions.
And he might even help me recover what I never had.

PIERCE

As my stylist, Hayley has seen my worst excesses.
Now her job is to stop me from drinking myself to death.
She's sweet but sassy... so effing beautiful.
Could she be my new addiction?
I can't get enough of her.
And, when I find out her deepest secret, I crave her even more.
Trouble is, she's not the only one with secrets...
Dark waters of my past are rising.
If I'm not careful, the tsunami will drown us both.

Full of tender impulse and aching hunger. SC Daiko brings readers another emotion-packed novel filled with angst, danger, and love. Advisory: This book contains material that might be deemed sensitive or trigger a strong emotional response

Hunted by Erica Woods

Hunted by Erica Woods

The only way to escape is to die.

For eighteen years I've suffered at the hands of the Hunters. For eighteen years they've done their best to break me, to tear me open and unleash the terrifying monster that lives within.

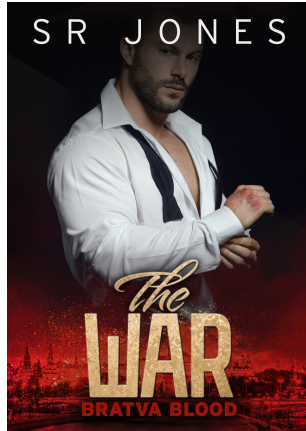

Until the day they go too far.

When a desperate escape leads to another brush with death, I'm forced to place my trust in the hands of four formidable strangers. Wild and untamed, their feral natures call to me, their warrior hearts make mine come alive. And when they offer me a place to stay while I heal, I can't say no.

But the secrets I carry are deadly, and my past is a twisted, evil nightmare better left forgotten.

They may think they want to know me, they may think the secrets they guard behind hard eyes and closed expressions comes close to the ones I keep. But should they ever discover just who they've let into their home, just what I really am...their hatred could be the one thing that finally breaks me.

And if I break, the darkness inside me will finally be free.
