

## Cruz is in DA HOUSE!

Cover reveal Cruz

*Hey, this is Cruz!*

*You ladies doing ok? I feel like we don't know each other well yet, but Serena is working on changing that. I have to say she is really good to us Sinners... And I have a feeling I'm her favorite. Just don't tell the other fuckers that, I don't need to deal with that shit!*

*So I'm here to show you the beautiful picture of the most amazing woman I have ever met that graces the cover of our story...*

*Ladies, meet Indy.*

*My soul-fucking-mate. She just doesn't know it yet...*

### Blurb

CRUZ

**She was forbidden fruit.**

The sister of a man I respected.  
I shouldn't touch her. But I have to.

**She's addictive.**

Even better, she bites.  
But she's been through so much,  
suffered the worst kind of abuse, and  
even as I want to shield her from the  
world, I can't.

I'm a Sinner.

I bring danger with me wherever I go.

**Once it taints her, there's no going  
back...**

INDY

**He was forbidden fruit.**

A brother in the MC that I thought I'd  
escaped a long time ago.

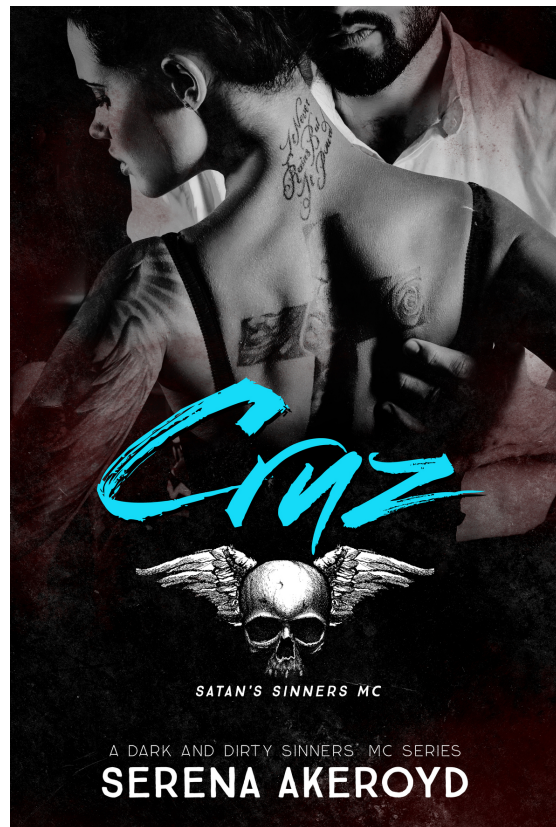

I shouldn't want him. But I need him.

**He's addictive.**

Even better, he makes me burn.  
But he's been through so much, endured the worst kind of betrayal, and even though  
he's an enigma to me, I crave him.  
He makes me want to sin.  
He's dangerous.

**But I'm already tainted. I've shed blood, and now there's no going back...**

For the first time in my life, I'm ready to face what happened to me to make a brighter  
future for myself, but can I do that with a man who's running from his past?

Bye, Cruz, thanks for dropping in...

At least he did things properly. He asked to talk to you, instead of you know, pulling a Steel and just asking Mumsy, or doing a Brennan and asking Conor to hack my newsletter. He's pretty damn perfect that man... For Indy... perfect *FOR INDY!* Right! Lol, I need to keep repeating that as a mantra. Maybe you figured it out by now, but I'm in love. Real, real love, lmao.

Just FYI, you guys can preorder Cruz [here](#).

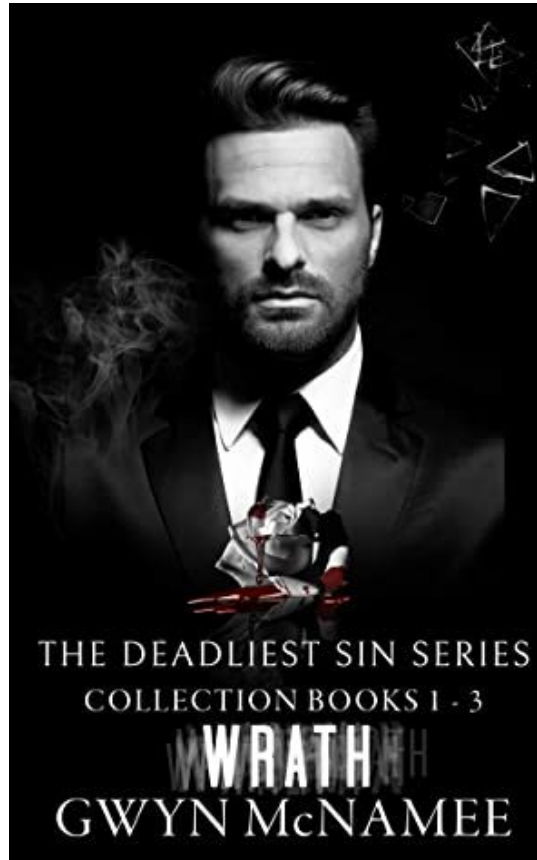

You may have noticed but October is CRAZYYYYY!!! I have a book dropping every week it seems! Forgotten and Found releases next Tuesday. Cruz has gone to editing. And so now it's time for Sun Child to get some TLC.

Today is also Dare You To Keep Me's bookaversary. I have pulled the Dare books as I am working on the final one. It is getting a new cover, a lot of love and will be released as one big book! Good news, it'll drop before the end of the year! Keep checking my newsletter for more information!

I hope you ladies are doing well! Feel free to drop me a line by answering this email, I always love hearing from you! Much love to you, darlings, and thank you, as always, for your support. <3

### The Deadliest Sin Series Collection Books 1-3

Can you survive wrath? His first mistake is taking her. His second mistake is thinking I won't come for her. Mine is letting wrath consume me and believing I won't have to pay for my sins. This three-book collection includes Wrath, After Wrath, and Surviving Wrath. Dive into the world of the Albanian mob in this dark mafia romantic suspense collection. "I am done [with the series] and I have to tell you that after reading Surviving Wrath: it's like I was sucker-punched, left raw and bewildered. However, the ending put me back together. One of the best stories that I have read!!!" - 5-star review
