

So, I did a thing!

Hello Lovelies!

One of my favorite stories of mine, and for many of you, is *Quintessence*. In just a few days it will be *Hers To Keep's* bookaversary and to celebrate it I decided to give myself and all of you a little present!

I came across this cover, which reminded me of Sascha, looking outside a window in Russia and the itch to write more about them started to become a nag I could no longer ignore!

I will be putting **Hers To Keep**, **Theirs To Cherish** and **Hers To Hold** in one big ebook! And I will be adding all the extra content that I had previously posted on my reader group, plus close to 10K words of new content!

Quintessence : The Collection

So, if you, like me, miss hearing from Sascha and her men Devon, Kurt, Sean, Sawyer and Andrei. If you want little glimpses into what Tin was like as a kid. Circle the date on your calendar! **December 12th!** It will be a live release, so no preorders and it will, of course, be available in KU! And if *Quintessence* is unknown to you or, if like so many, you haven't read book 2 or book 3 in this collection, and frankly, you are missing out on some delicious RH, then you will also want to pick it up!

Unfortunately, it is too big to be made into a paperback. Coming in at 450,000 words... you can understand why. LOL.

Are you gals on my reader group? Cause we have giveaways going on through December! Right now, we have a GIVEAWAY for Nyx in paperback and some notepads!

Much love to you, darlings, and thank you, as always, for your support. <3
HAPPY HOLIDAYS!!

THE INTERN

The Intern

his chin.

“What the fuck am I going to do with you?”

DEVLIN

He was so pretty as he stared up at me, licking me clean, moving his mouth around me, and doing as he had last night—kissing the fucking tip as he let go of me.

How the fuck was I supposed to keep my defenses high against that?

How was I supposed to—

Jesus.

If he'd done anything but that, I could have backed off. Been a douche.

Could have zipped up and zipped out—as it were.

Instead, I reached down and cupped

BLURB

Devlin

The Intern

Sex comes with a price tag.
One I'm quite willing to pay.
In fact, I prefer it.
It's easier that way, and in my life, I prefer ease.
Prefer for most things to be transactional.
So when the intern disrupts my day, I'm not happy about it.
I have a dark and dirty little secret he knows about.
One that could destroy my reputation in a world where reputation is everything.
That makes him dangerous.
He could ruin me professionally, wreck my life, but the touch of his mouth to mine, the feel of him in my arms—they're all I can think about.
I'm intoxicated.
Drunk on him, when I've always been sober.

Micah

I'm gay.
The freedom in admitting that is intoxicating.
Enough to make me feel drunk with the relief of finally being myself.
But what feels better?
Devlin.
He's my boss.
He holds my future in his hands in more ways than he knows, but he isn't as free as I am.
Doesn't have the same freedom I do to own up to what he is.
Because of that, I know I'm losing him.
I can feel us becoming DOA.
But is he worth fighting for when he won't admit what I am to him?
What we mean to one another?
I guess you'll have to read on to find out...

THE INTERN is a standalone contemporary MM romance, with an easter egg for fans of Serena Akeroyd's novels.
