Hello Lovelies!

It's me again!

I know, I know. You're not used to me popping into your inbox so soon, but I had no choice. It's my duty as a woman to make sure you end Friday and/or start your weekend with some Filthy Sex.

So, let's get to the basics.

## Get Filthy Sex NOW!

I know many of you have been wondering what happens to Quin. I've been put on time-out by many readers about it! Well... you will find out some things in Filthy Sex, of course... But to really know everything about Quin's status and the Sinners, you need to pick up Hawk.

If, like me, you are eagerly waiting to find out what happens, would you please consider voting for Hawk in March's most anticipated Romance on Goodreads? Remember that if you are voting on a phone you need to be in desktop mode and to toggle that you need to scroll to the bottom! Thank you so much for that!! <3

## Vote for HAWK in March's Most Anticipated Romance List

Simply Outstanding. I was blown away when I read that this was the first MM book the author has written.

Mrs. Aekeroyd has blown my mind with this story, it is absolutely delicious, violent, painful, full of hot sex, secrets, mystery and packed with heart-breaking moments that will leave you speechless, also I loved the glimpses we got from the rest of the family and I'm dying for more of them, definitely a MUST READ!!

## Blurb

He was the last man I should turn to.

A forbidden taboo that no woman wanted to cross.

Worse still, he's no one's idea of a white knight.

But this pawn has no alternative.

I'm locked in a war that's not of my making, and I'm tied to a destiny I have no say in.

For someone like me, Brennan O'Donnely represents something intangible—safety. A single promise unlocks options I didn't dare dream of possessing...

A future.

A *family*.

He's hard. He's dangerous. He's *filthy*.

Yet, somehow, he's exactly what I crave.

Now I just need to make him see me for what I am—his Queen.

If he'll have me.

*The Finish Line by Kate Stewart*

### The Finish Line

#### Secrets and Lies...

I've lived the entirety of my life wrapped up in subterfuge for one purpose—revenge.

Through the years, I lived more as an enigma than a man.

For so long, I denied I had a beating heart of my own.

Until her. Until she unearthed the starving vessel inside, forced me to acknowledge it,

forced me to understand that I'm capable of bleeding the same as any other.

For that, we paid. We're still paying.

Yet, she demands it still, the useless heart of the ruthless thief and shameless villain she fell for. My fear is, I'm no longer that man.

With the lies I've told, the life I've led, my mistakes are beginning to catch up with me, day by day, one by one.

This is my last chance, and I have no intention of losing her again, but as the deception of my past starts to unravel and close in, shedding my humanity may be the only thing that can save us both.

**Maybe it's already too late.**
