You guys have big plans for Valentine's Day? I'm going to lay low at home and read. I've been reading some alien romance lately and then some historical romance. I know, some mix right? But I'm just loving it! Nothing like Sexy Book Boyfriends to hold your hand through Singles' Awareness Day ;) If you haven't read *Filthy Sex*, Brennan is the perfect date for this Sunday. He's filthy and sexy and ohhhhh, so hot!

Much love to you, darlings, and thank you, as always, for your support. <3

FILTHY SEX IS LIVE!

Filthy Sex Available NOW!

A future.

A family.

He's hard. He's dangerous. He's *filthy*.

Yet, somehow, he's exactly what I crave.

Now I just need to make him see me for what I am—his Queen.

If he'll have me.

He was the last man I should turn to. A forbidden taboo that no woman wanted to cross.

Worse still, he's no one's idea of a white knight.

But this pawn has no alternative.

I'm locked in a war that's not of my making, and I'm tied to a destiny I have no say in.

For someone like me, Brennan O'Donnelly represents something intangible—safety.

A single promise unlocks options I didn't dare dream of possessing...

Live TOMORROW!

ADRIAN'S VENGEANCE

I'll kidnap her before she says I do.

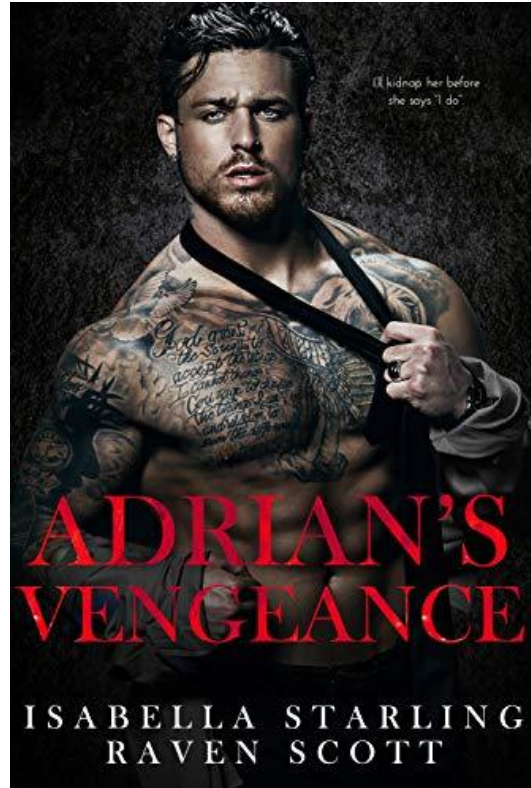

ADRIAN

She's sweet, innocent, beautiful, and she's going to be mine no matter what.

Mafia princess Marzia De Luca made me a promise when we were children. She broke that promise. Now it's time to teach her a lesson.

Marzia thinks she's going to celebrate her arranged marriage at a masked ball.

But this party is the perfect opportunity for me to kidnap her. It's time for me to show her that my love... means pain.

Adrian's Vengeance by Isabelle Starling and Raven Scott

MARZIA

Since I was a little girl, I've been in love with him - dark, twisted, menacingly handsome Adrian Bernardi.

But my father, the mafia don, decided I'd marry someone else.

Except I don't want to marry the other man. I only want Adrian.

I pray for help, asking Adrian to save me.

But saving me means taking everything from me.

Adrian's Vengeance is the first book of the Mafia Heirs series. Adrian and Marzia's story begins in Broken Promises. This is a dark mafia romance.

ASSEMBLY

The Feral Souls Trilogy

Book Two

Some secrets are unforgivable, some betrayals cut too deep. And this time... This time I may lose them forever.

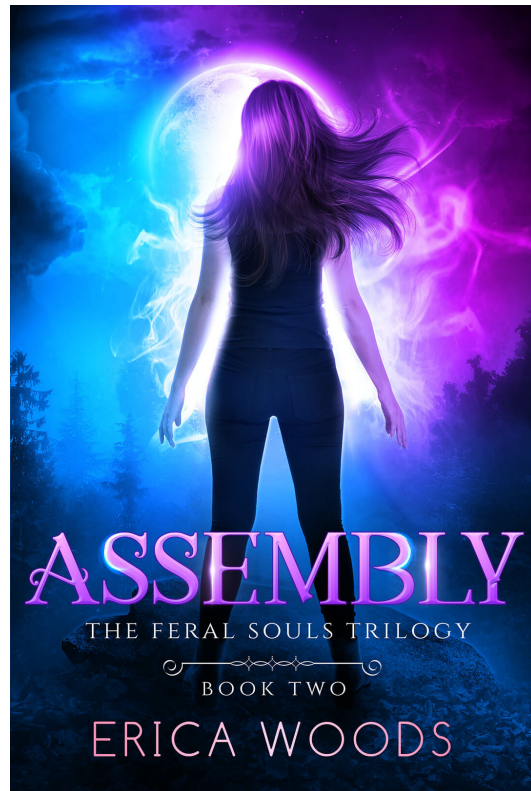

I spent eighteen years as a victim. Eighteen years where I was broken, shattered, pried apart and carelessly thrown back together. Now, the glue that keeps my fractured soul from rupturing needs to hold firm, or the four fierce lycans who swore to protect me will die to keep me safe...

The Assembly is no place for a human.

Especially not one standing trial. Surrounded by lycans who'd like nothing more than to see me dead, forced to participate in lethal games and hunted by enemies shrouded in shadows, my world is unravelling. The only thing keeping me sane is the four possessive wolf shifters ready to sacrifice everything to ensure my survival.

But when faces from the past return, the fragile trust I've built with my wolves is shaken to its core, and all the terrible secrets I once did everything to keep are clawing their way to the surface.

Out of time, I'm forced to make a choice. A choice that might cost me everything.
