Silent Auction to help Gel!

Join The Stargazers Squad to look at the private auction.

Hello Lovelies!

It's me again! 2020 wasn't easy on anyone, this I know, but a dear friend of mine, Gel Mariano, has come into *your* life as much as mine, because every time you see one of my teasers, that's from her. Her beautiful art brings life to my writing, and she's been hit particularly hard this past year.

Gel and her family are among those who have encountered COVID-19 head on. In November, Gel's grandfather lost his life to the virus. Currently, Gel's father is in the ICU, fighting his own battle with COVID-19. The medical bills for both relatives are now \$16,000.

Gel is such a talented, kind soul that when Jennifer came to me to see if I would participate, I signed up right away. So I am joining Morgan and Jennifer Locklear, alongside some of my favorite authors in a silent auction to benefit Gel. Big names such as Willow Winters, E.L. James, Melanie Harlow, Helena Hunting, Parker S, Huntington and many more have lots up for grabs. I have signed copies of Toxic, Cruz and Maverick as well as Filthy Sex up for auction!
