one of NYC's most eligible bachelors, after all.  
Whereas for me, the truth is my calling.  
My purpose.

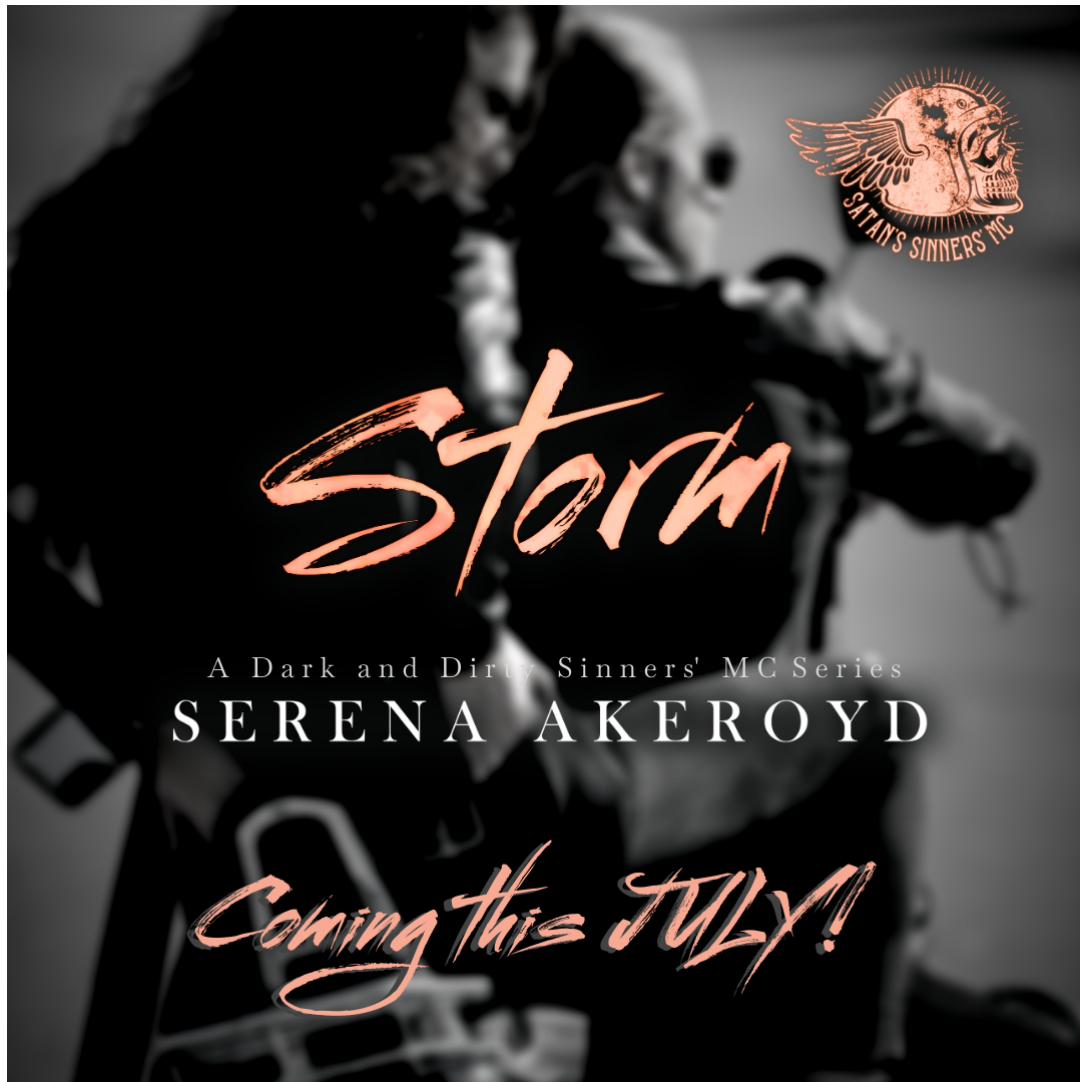

With my life on the line, will I risk it all once more to find safety in the arms of a

## RECOMMENDATIONS!

*SAVAGE EMPIRE by Bri Blackwood*

## **SAVAGE EMPIRE**

**by Bri Blackwood**

### **He's a savage**

Damien Cross treats New York City as if it's his personal playground.

He sees.

He touches.

He conquers.

He holds the fate of my family in his hands

And makes a deal with me I can't refuse.

He'll forgive my father's debt if he can have something in exchange: me.

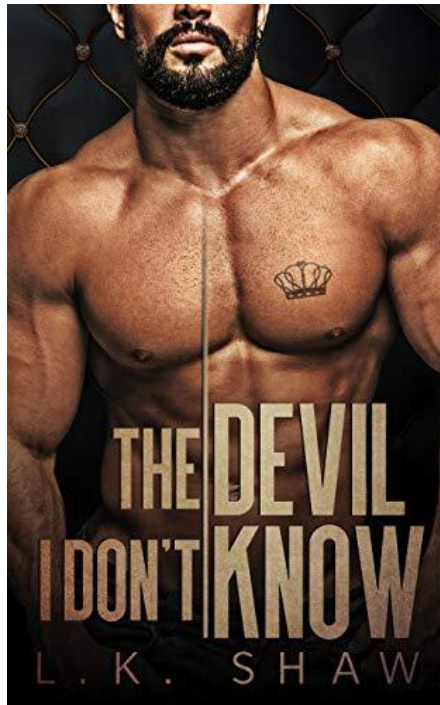

I promised myself I wouldn't get addicted, but nothing is guaranteed when you make a deal with a savage.

Now this debt is my cross to bear.

**Savage Empire is the first in an enemies to lovers billionaire trilogy. Themes in this dark and sexy series may not be suitable for all readers. Anais and Damien's story continues in Scarred Empire and the trilogy**

concludes with Steel Empire. It is NOT a standalone and ends in a cliffhanger.

*THE DEVIL I DON'T KNOW* by L. K. Shaw

## THE DEVIL I DON'T KNOW

by L. K. Shaw

### Jacob

My father is dying, and I've been called back to Brooklyn to take my place as the head of the Italian syndicate. After a seven year absence, my first test of loyalty is to marry the granddaughter of the Irish mob's leader. I may not want a wife, but I'll kill anyone who tries to harm her.

I only hope she doesn't expect love in our marriage. I can't--won't--love her. Not ever. I don't have it in me.

### Brenna

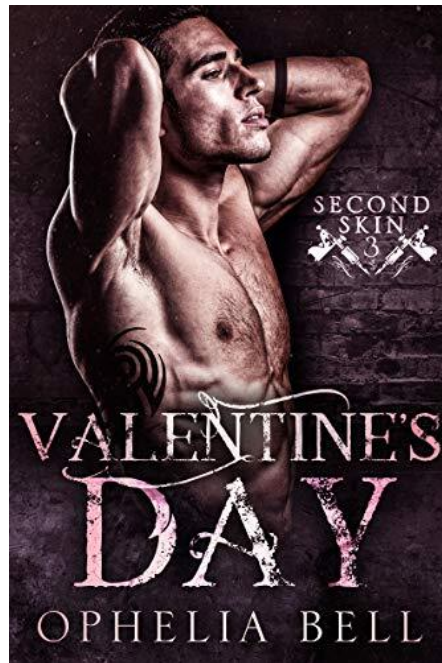

My life has always been about duty. When my grandfather signs a marriage contract, I become a pawn in an alliance between the Irish and the Italians. Once again, I'm bound by duty.

I've always been invisible--the person who fades into the background--except

soon my new husband begins to see me.

He's a Brooklyn king, but will our enemies destroy my chance to become his queen?

*VALENTINE'S DAY by Ophelia Bell*

## VALENTINE'S DAY

by Ophelia Bell

**There's trouble in paradise.**

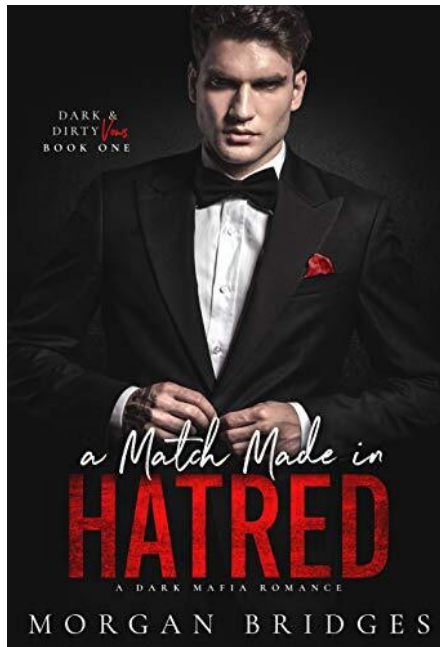

All we had to do was make it through the weekend. It should've been a breeze. A tattoo convention in Cancún with Toni Valentine, the toughest and sexiest tattoo artist in the world? It was a dream come true.

It was my chance to show her how I'd grown. I came to work for her when I was just some kid from LA and she already had a spread in Maxim and a successful video stream, but over the past three years, we've gotten close. And I had plans for us to get even closer.

But now my plans have changed. Now I've got to prove myself in a different way—by saving her from one of Mexico's most brutal cartels.

I'd do anything for Toni, and that includes walking right into the belly of the beast. And I'm not coming back without her.

*A MATCH MADE IN HATRED by Morgan Bridges*

## A MATCH MADE IN HATRED

by Morgan Bridges

**I hated her before I even knew her name.**

My bride.  
The daughter of my enemy.  
She's nothing more than a part of my revenge.

I'm the one who holds her life in my hands,  
As well as her body.  
And soon, her very will.

Yet, she refuses to break.  
This woman disarms me, not with weapons but words  
And not with a fist, but with a simple kiss.

A match made in hate can have no other ending except war.
