## Hearts Reclaimed

by **Ayla Asher**

**Two weary souls find each other against all odds...**

Ashlyn Rivers left her cheating fiancé behind and moved to Ardor Creek to revamp her life. Done with men in general, she has plenty to focus on, like building her new business and renovating her house for the local haunted homes tour. Falling in love is definitely not on the agenda.

Scott Grillo lost his family in a tragic accident several years ago. Still processing the loss, he throws himself into his contracting business, pushing away the

loneliness and heartache.

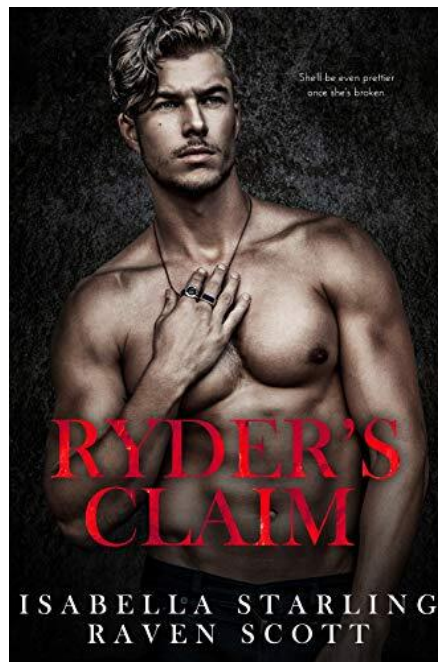

When Ashlyn blazes into Scott's life, he turns down her request to renovate her house, vowing to squelch the desire she stirs deep inside. But Ashlyn is a force to be reckoned with and Scott finds himself longing for her embrace each day she remains in Ardor Creek.

Can these two disillusioned souls reclaim their hearts and choose to love again?

*Welcome to Ardor Creek, the small Pennsylvania town where love is in the air! If you like a grumpy hero and feisty heroine, this book is your jam. As with all of Ayla's books, there's a slight holiday theme, and Halloween ghosts play a part! The main character is a widower who discusses the loss of his family so please take note of this before reading. Settle in and fall in love with Ardor Creek today!*

## RECOMMENDATIONS!

*Ryder's Claim by Isabella Starling and Raven Scott*

### RYDER'S CLAIM

**By Isabella Starling and Raven Scott**

*She's hiding a dirty secret... and I'm going to use it to destroy her.*

RYDER

Nobody is as off-limits as her - Nicoletta Carlucci, my brother's wife to be.

But Nicoletta doesn't want my brother.

She wants me.

Except she doesn't know something - I've found out about her dirty little secret.

Nicoletta isn't who she says she is.

She's a filthy liar, and I'm going to expose her.

And nothing, not even her innocent wide eyes or the way she begs, will make me change my mind.

NICOLETTA

I'm not who I say I am. I'm not the perfect, sweet mafia princess my father wants everyone to see.

The truth is twisted, dark and cruel, just like him - Ryder Bernardi.

The only man that has the power to ruin me... And the only man I want to own me.

**Ryder's Claim is the second book of the Mafia Heirs series and can be read as a STANDALONE. This is a dark mafia romance.**
