I'm nothing like my father.
My brothers don't realize I'm a thousand times worse.
Grief fuels my every action.
Vengeance burns through my veins, dictating every
decision I make.
I'll shatter allegiances to avenge him.

I'm nothing like my father.
You don't realize that I'm a thousand times worse.
I have Savannah at my side.
A ruthless partner who will rain hellfire upon our
enemies with me.
Until she realizes I lied to her...

My house of cards is tumbling down, but I
underestimated my Queen.

Star's my penguin.
She doesn't know it.
She took off. Sure. I'm mad at her. Sure. But that's her charm.
She's ornery.
Difficult.
Impossible to love, but I see her BS.
And I call her on it.
I'll chase her from the North Pole to Antarctica, this Fecker isn't about to lose his soul mate.

FILTHY
FECK

Conor's my lifeline.
He doesn't know it.
I need him to find me.
I need him to chase me.
I need him to love me.
If I haven't already destroyed what we might have had, he's crazy enough to take me on.
My Fecker.
Mine.

FILTHY FECK is the eighth and final book in The Five Points' Mob Collection.

Fifteen books you've been waiting, and trust me, as impatient as you are, that's nothing compared to Conor...

Nick

A man like me has certain tastes.

And needs.

I'll pay top dollar for whatever I'm craving.

No price is too high if it means I get what I want.

What I desire.

Until one day when a certain blonde walks in and turns my life upside down.

All I need is one month to get her out of my system forever.

At least that's what I hope.
