## Where the fuck is she?!

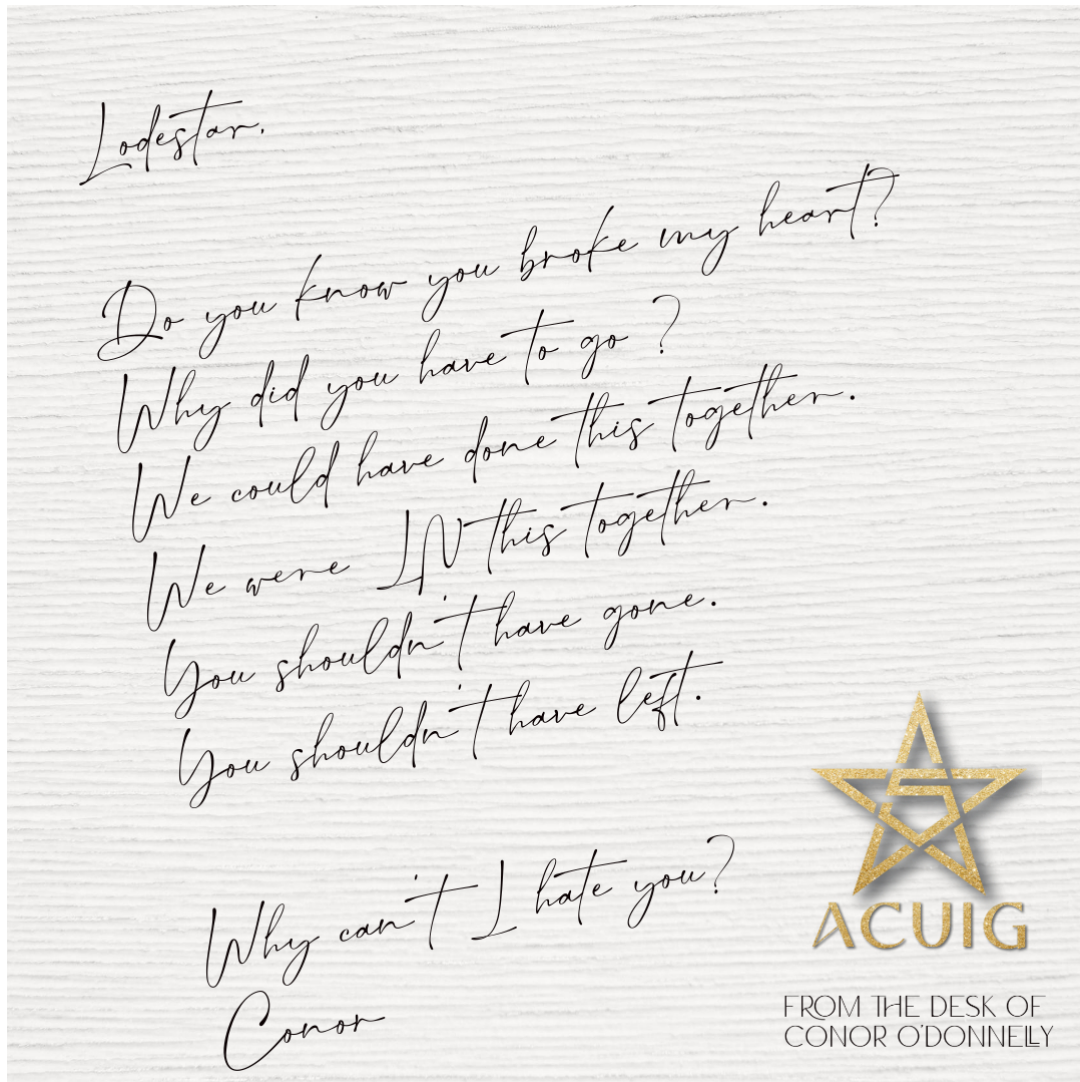

Hi Serena's readers,

I've tried reaching out to Serena's Executive Assistant, and well, besides being scared that I may now have a stalker, that yielded nothing...

So, I'm hoping that Star caught on to Serena's snooping and she keeps on top of Serena Akeroyd News.

Here goes nothing, I'll be dropping in here regularly, leaving her messages, in the hopes that maybe, just maybe, she will receive them.

Star, if you are reading this...

My heart breaks for you, Conor, but I'm convinced that you guys are meant to be. Don't give up on your penguin! I know I haven't. <3

I'm heading back to my writing cave, **Filthy King** is keeping me busy and I'm loving it! I hope you will too... Aidan as the filthy king of Manhattan is driving both Savvie and I wild!!

Stay safe!

Love

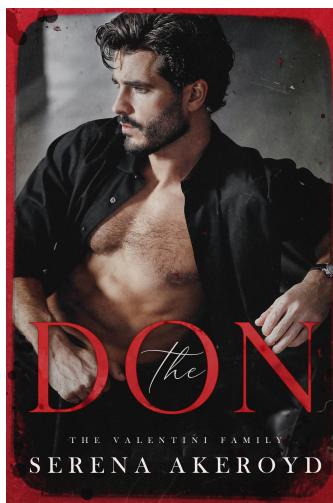

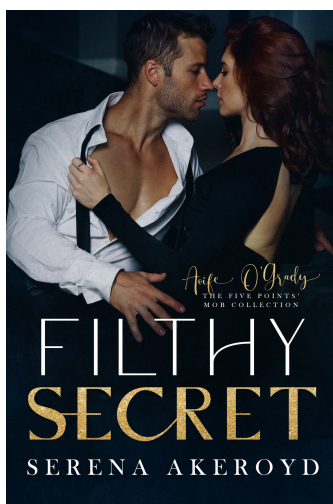

Serena

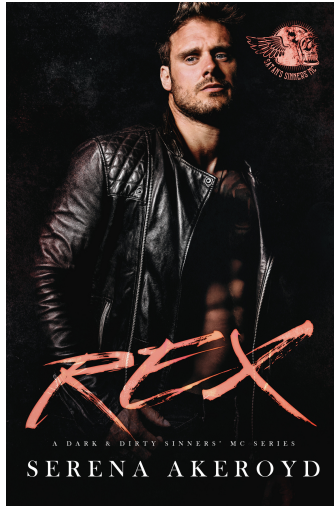

xoxo

### **Ben**

I know why I lost her. I was too serious, I was too practical. I was too busy thinking I knew what she wanted without asking her.

Over time, this wore on her. All she wanted was to be heard. She wanted someone to support her big exciting ideas, I was supposed to do that, but I shut them down.
