## Hello Lovelies

Meet Nicholas!!

Sometimes a cover just doesn't reflect a character.

Sometimes a title doesn't fit a story.

Sometimes a blurb doesn't suit a couple's journey toward their HEA.

And that's why I can now reveal OBSESSED to you! <3

Nicholas has a face.

And what was once The Professor, has now been edited, revised, AND extended with new scenes.

So, meet Nicholas, and prepare yourself to be OBSESSED.

# OBSESSED

Phoebe Whitehouse is not just my student, she's my obsession.

I eat, sleep, and breathe her.

One day, she slips up and I have my in.

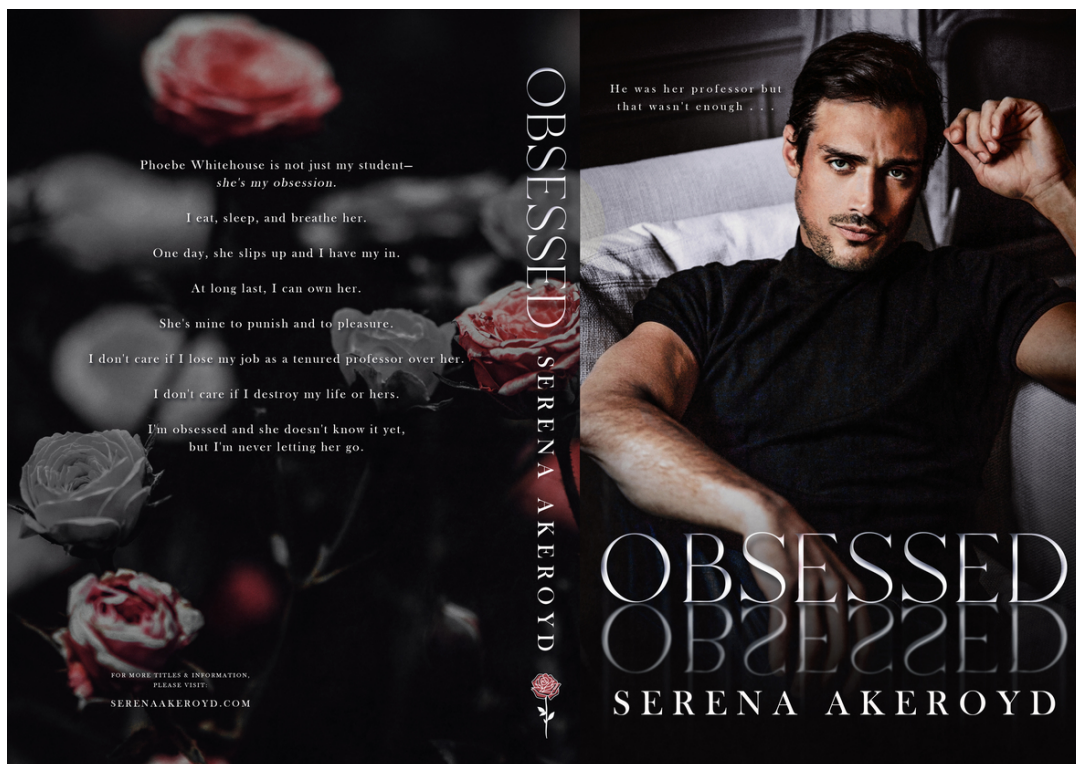

At long last, I can own her.

She's mine to punish and to pleasure.

I don't care if I lose my job as a tenured professor over her.

I don't care if I destroy my life or hers.

I'm obsessed and she doesn't know it yet, but I'm never letting her go.

But I have some more fabulous news!

Firstly, for preorders only, you can get Obsessed for 99 pennies! On release day, the price will go up to 3,99!

For you audio-loving lovelies, the audiobook will be released simultaneously. And the narrators are none other than Joe Arden and Lessa Lamb! So if you are looking to whysync this bad boy... hint hint! ;)

And finally! I have one paperback to giveaway to one lucky reader! All you had to do to win was open this newsletter. We will draw someone randomly and pick a winner!

Stay safe always and hope you're excited!

Love

Serena

xoxo
