### Hello Lovelies!

In one week, you will get to finally dive into Hunter and Aurora's story in *The Consigliere*! And I don't think you are expecting what is coming your way... but I can't wait to see and read your reactions!

That being said, I have a little piece of not so good news. I caught Covid. After well over 2 years of escaping it, the damn thing has finally caught up with me, and it has considerably slowed down my capacity to write. To be honest, I don't remember ever sleeping this much and still being so exhausted!

For that reason, I've had to push back the release of *The Oracle*, which is book 2 in *The Revelation Duet*, to September 22nd!

But fear not, it is coming and the heat level in *The Oracle* is on par with the heat

waves hitting everywhere across the globe! It will melt you and your kindle and probably give you a bit of a spanking too!

**Vote for The Consigliere for most anticipated August romance**

But as it is now tradition, I'm giving you a sneak peak of **Chapter One** in this newsletter. AND... I have 2 ARC giveaways going on! One in my Facebook Diva reader group **here**! And one on my brand new Discord Server **here**!

I hope you're all keeping safe and cool!

Much love,  
Serena xox

## Chapter One

### Hunter

*Feelings - John Newman*

#### AUGUST

Some people were destined to lead ordinary lives.

Once upon a time, I thought that would have been my fate had I not met Aurora Valentini all'asilo—in Kindergarten.

A nice boring life, I'd imagined for myself. College, a wife—the girlfriend I met at school. A house. Maybe a dog. Eventually, we'd have kids. Go on vacation once a year and bitch about not being able to travel more, visit family, and savor Sunday lunches with them.

Until I was twenty-three, I'd thought Aurora was the reason that seemed so trite. I just didn't realize that, from birth, I was meant for more.

Not that more was always good.

Case in point...

“Brunu, what the fuck are you doing here?”

With my grandfather having recently been sent to prison, as his heir, that meant I'd inherited his business as well as his men. One of whom was Brunu, my new Capo.

I got my name from breaking the bones of a kid who picked on my younger brother, but that's only where it started.
