BAD BOYS YOU WANT TO TAKE HOME

Cause it's LIVE!

Hello Lovelies!

It's here! The wait is over... You can finally read Hunter and Aurora's story. And I know you are not expecting what is coming your way... But let me tell you the fun I had writing these two! OMG!

Hunter is so dreamy. A perfect measure of comfort and pleasure! And Aurora? Aurora is pure power! She's a self-made woman in a world of men and she doesn't let them get away with ANYTHING!

I AM HERE FOR THAT!! Hahaha!

And for a VERY limited time, in the US and UK only, you can get the first two books in The Valentini Family Series at a discount price! **The Don is 99 pennies** and **The Lady is 2,99!**

Vote for The Oracle for most anticipated September romance

You can read Chapter One below... But here is a little taste of **Hunter, King of Praise!** Can you feel the heat on your screen? ;)

I've been asked a few times if The Revelation Duet will be coming to audio. And the answer to that is OF COURSE!

I don't know about you, but I fell in love with Joe Arden as Luciu and I intend to fall in love all over again when he narrates Hunter! CJ Bloom will be voicing Aurora, and I just know she'll bring the bite that Rory needs! The release for that is planned for Joeuary, which is Joe Arden's way of saying January ;)

I have some personalized paperbacks up for grabs too! You can take parthere!

I hope you're all keeping safe and cool!

Much love,
Serena xox

Chapter One

Hunter

AUGUST

Some people were destined to lead ordinary lives.

Once upon a time, I thought that would have been my fate had I not met Aurora Valentini all'asilo—in Kindergarten.

A nice boring life, I'd imagined for myself. College, a wife—the girlfriend I met at school. A house. Maybe a dog. Eventually, we'd have kids. Go on vacation once a year and bitch about not being able to travel more, visit family, and savor Sunday lunches with them.

Until I was twenty-three, I'd thought Aurora was the reason that seemed so trite. I just didn't realize that, from birth, I was meant for more.

Not that more was always good.

Case in point...

“Brunu, what the fuck are you doing here?”

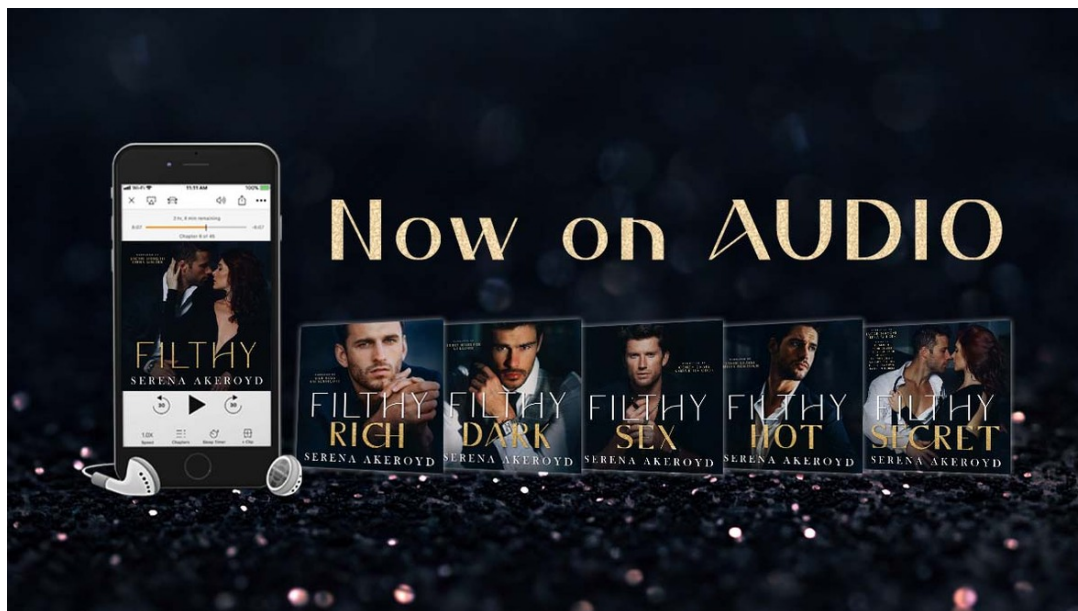

With my grandfather having recently been sent to prison, as his heir, that meant I'd inherited his business as well as his men. One of whom was Brunu, my new Capo.

CAMPUS LEGEND BY JENNIFER SUCEVIC

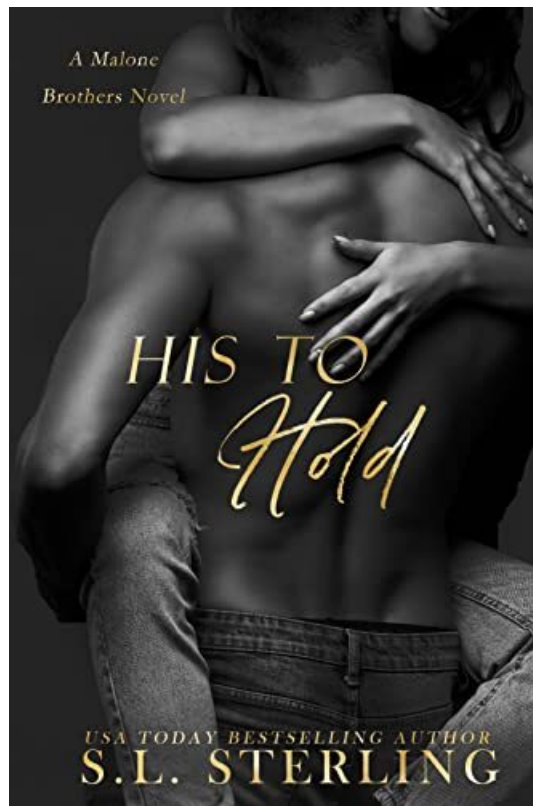

Campus Legend

by Jennifer Sucevic

He's Always Hidden Behind a Mask. Until it Was No Longer Possible.

Asher Stevens is a legend when it comes to Wildcat football. If the gossip that swirls through campus is true, he'll be one of this year's top NFL draft picks. To say I can't stand the guy is a major understatement. Other women might be taken in by his handsome face, chiseled body, and athletic prowess, but not me. I see him for what he is—a muscle bound, steroid-infused meathead who drinks like a fish, smokes weed, and screws like he's been sentenced to prison without the possibility of conjugal visits.
