Happy Friday!

Hello Lovelies!

Just a quickie but a goodie!

I'm putting the finishing touches on **The Oracle**. It's so steamy, you guys, maybe my steamiest book to date... Hunter and Aurora just inspire me in a different way, if you catch my drift. ;) I also finished listening to **OBSESSED** in audio... Joe (Arden) and Lessa (Lamb) are just phenomenal in this.

So. Much. Going. On. This. September!

Anyhoo, I'm interrupting your Friday because today is the book birthday of my

OG Fecker... The first Irish Mob man to steal my heart, Finn. Well, it's the book birthday of it's current iteration **FILTHY!**

To celebrate, I'm giving away a 10\$ Amazon gift card. All you had to do to enter was open this email. Anne, my right hand woman, will be in touch with the winner!

Also today and TODAY only **NYX** is on sale for the delicious price of 99 pennies! So if you haven't read him yet, it's a good place to start, and if you have but want to own him forever (because who wouldn't want to own Nyxypoo forever?) then this is the perfect time to spoil yourself!

And while we're at it, but this is for the whole month of September...**LINK**, book 2 in my Dark and Dirty Sinners' MC Series is on sale for \$2,49!

To finish, yesterday the news took me a bit by surprise. I'm a Brit if you didn't know, and we all heard that the Queen has passed away. I didn't expect the wave of emotions that have flooded me... it's come as a surprise and has left me unsettled. For most generations in the UK, she is the only Queen we've ever known. However, may she finally rest and may her family find peace. <3

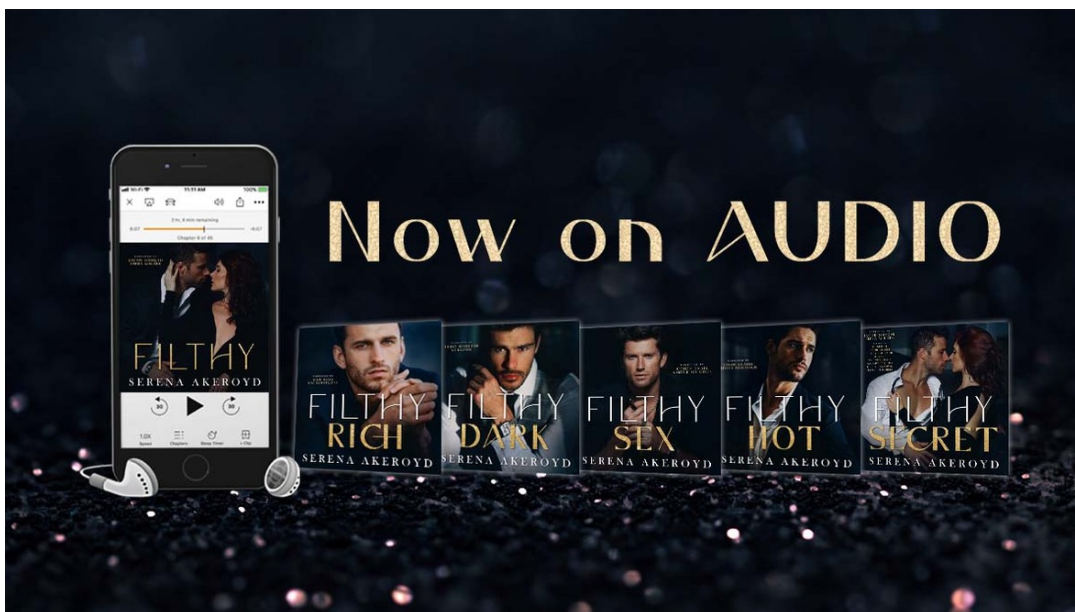

You all stay safe,
Serena xoxo

My Legacy

by Samantha Skye

Me neither, until Sebastian Romano waltzed into my life.

I probably should have held my tongue that first night, but I'm used to alpha males and Sebastian is nothing I can't handle.

He runs this city and gets everything he wants, but I would rather die than give him my art gallery.

It's not just that it's all I have left of my gran. The gallery is proof of my independence – a corner of this big city that's all mine.
