Help me out "Divas!"

## Hello Serena's peeps!

By now, you are used to my shenanigans... So let's make this one short and sweet!

Kat came to me and asked me to find Star and trust me when I say, it is *not* easy. She obviously doesn't want to be found...

So here is me throwing caution to the wind...  
Let me show you a picture of her!

Maybe you can help me locate her?

*Cover design : RBA Design, Cover Model Kat Zech, Photographer Kathy Cadwallader*

Doesn't she just take your breath away? So strong and powerful!  
She is perfection...

So if you see her, DO NOT APPROACH HER! Firstly, because she's MINE and secondly, because she's LETHAL. Remember, do NOT approach. Just email me at this address and I will take care of the rest. Turns out Serena may be a little crazy, but she's solid and will forward me the pertinent information.

Your Queen has some info for you so I'm gonna slip outta here like a ninja.  
Thanks again!  
C
