Happy Thanksgiving!

Hello Lovelies!

First and foremost, Happy Thanksgiving to my American readers who celebrate this holiday!

As I sit here and write this, I am reflecting on the things I am grateful for this year. It has been a particularly difficult year emotionally for me, but through it

all, I can say that one of the things that shines as something to be thankful for is all of YOU! You allow me to work my dream job, travel the world, and let the weird people in my head matter and for that... Well, 'thank you' seems like not quite enough to impress my gratitude for all of you... But nevertheless, THANK YOU! You matter. You matter to me! <3

Because there is no rest for the wicked I am putting the finishing touches on Filthy Lies... Can't wait for you to read it. <3

Much love,
Serena xox

HIP WHIP BY ECHO GRAYCE

Hip Whip

by Echo Grayce

I won't let her get what she wants without the fight of her life...

She's everything I hate and want, wrapped up in one brutal package. The way she struts with a tool belt around her waist, she might as well be driving nails into my d!ck. Eve McAllister is a master manipulator, just like the rest of her team.
