I want Bash's story!

Hi!!!

SQUEE I'm so excited to be here! When Conor told me he could get me the access to write Serena Akeroyd's Newsletter—I *didn't believe him!* I should totally know better by now!

Okay, deep breath, Inessa! Don't make a fool of yourself—you are on a mission here!

So, hello, ladies, as you may or may not know, I'm one of you! I'm a Diva! Brennan would say in more ways than one... Anyhoo, I'm a 'Serena Akeroyd' hardcore fan and I think I've read everything she's ever written. Even unpublished stuff... Again, having Conor as a brother-in-law is really handy!

And, by now, you all must know that we O'Donnelly wives have a special book club together... This month, we are reading *His to Keep* and *His to Hold*! I can't begin to tell you how much I love those two books. The stories of Tin and Etta, and Jack and Beau, are just what your heart needs this holiday season!

Starting tomorrow in Serena's Tea & Spoilers Room, we will start a buddy read of these two books... I would love for you all to join us... Because the more people who read these stories and request Bash's story—the bigger the chance of us getting it!

You don't know who Bash is yet? You need to read the books!!! That's my mission this Holiday season—to get us Bash's story. And don't worry, these are Serena Akeroyd books, so there is always a little darkness with her Holiday Cheers! :P

Alright! I'll see you ladies tomorrow in the **Tea Room**, in the mean time, go download **His to Keep** and **His to Hold**!

Conor!!! For God's sake! You and I will have words! It's bad enough that you keep using my newsletter to track down Star, but now you're letting Inessa in too? What's next? Aela selling art work? Shay fundraising for his Super PAC? I love you, C, but you need to run this past me or Anne before you do this stuff!

Can you imagine, ladies, though? Inessa in the Tea & Spoilers Room... If that happens, I'll have seen everything...

However, *should* you decide to follow Inessa's lead and read His to Keep and His to Hold, I'd love to know what you think!

And make sure to check in next week because I'll have an excerpt of Filthy Lies

for you!

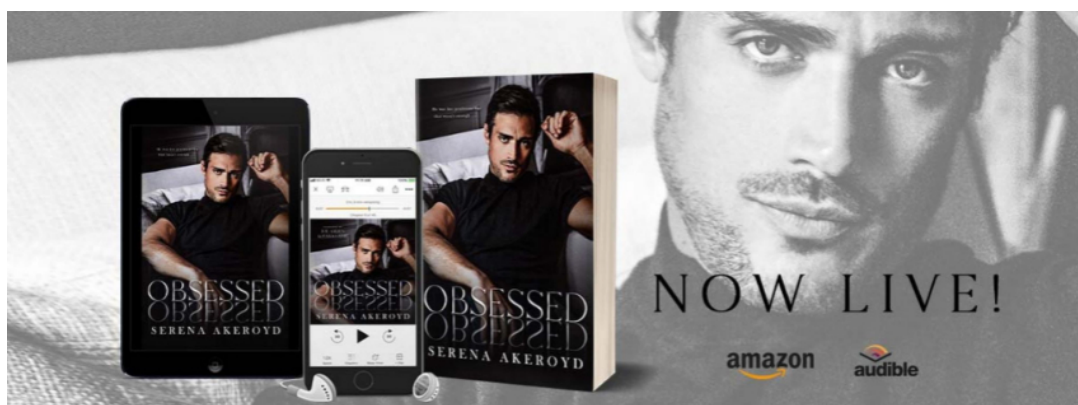

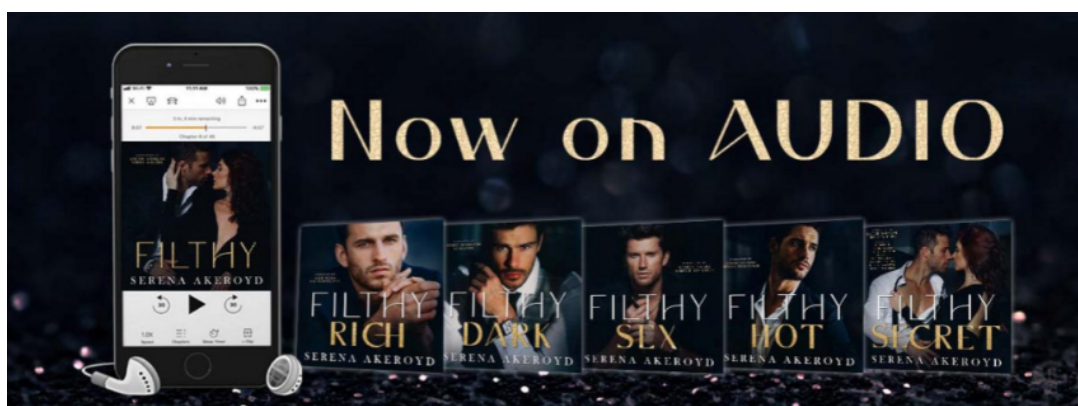

With all my love and affection, and wishing you a very happy holiday season...

Serena

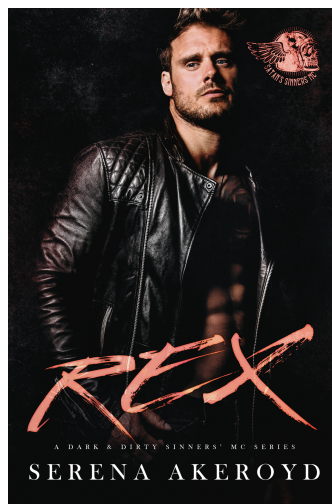

xoxo

DARK KINGDOM BY JAGGER COLE

Dark Kingdom

by Jagger Cole

He's my husband. I'm his prisoner.

Adrian Cross is the most ruthless kingpin in London's criminal underworld. Dangerous. Powerful. Undeniable. Venom wrapped in Savile Row linen. He's also my ex-husband.

Or rather, my not-quite-technically "ex" husband.

Now someone wants me dead, and the man I ran from might be my only chance of survival.
