Digger is the candy you need!

Hello Lovelies!

It is release day once again... and this one is a little something different for you. ;) This one is my offering to heal your soul after *Filthy Truth*, but it's also my lure, to get new readers to fall in love with my Sinners and my Feckers! :P

The reviews so far have been phenomenal! And everyone seems to agree that this is what you need to nurse your book hangover.

That being said, I am not responsible if you get the urge to read the whole universe again after seeing all your favorites in this one... ;)

So I hope you will grab a blanket, a nice glass of wine, and let yourself be wowed by filthy-talking Digger and spunky MaryCat!

What a month!!! For those who feel like January is the never ending month, I have the cure—release six books in January and it will flash you by. LOL.

Happy Reading!
Serena xoxo

I've read several books by Serena Akeroyd, and I've loved them all, but I think this one is my new favorite!

Peggy Hogan

Just... *****chef's kiss*** PERFECTION!!!**

Kathryn Barr

I very much needed this book after **Filthy Lies** and **Filthy Truth**.

KitKat821

This book proves that a mafia/MC crossover story **CAN** deliver a warm hug in the form of a sweet, feel-good romance.

Jessica Luongo

This book was the **PERFECT** book to heal my soul after it had been shredded by **Lies** and **Truth**.

Marianne Tuakoi

Filthy Sinner

Chapter One

Mary Catherine

I was sixteen when I first saw them.

Two bikes outside our house in Westchester, where Daddy never stayed anymore and where Mom and I holed up most of the time until we were hauled into the city for our 'family duties.'

It was a surreal sight.

Amid the pristine prettiness of suburbia were two bikes. One bright red, the other blue. One free from a rider, the other housing a biker with a mop of hair on his head that was tilted down as he stared at his cell phone.

He should've looked dirty, but he didn't. Oh, his hair was definitely tangled and in need of a brush, and combined with the bushy beard, he certainly wasn't as elegantly attired as I was used to guys looking.

Perhaps that was why he caught my eye, though, and why I couldn't stop staring as I walked down the street to my house.

WICKED GAMES by ZOE BLAKE

Wicked Games

by Zoe Blake

She's caught in my game... she just doesn't know it.
For weeks, I've been watching her. Stalking her.
Now it's time to start playing with my beautiful little pawn.

From the moment I first saw her from afar, I knew she would become my prized possession.
I will gaslight her into thinking she is my obedient ward, trapped in the Victorian era.
