## Mine is Cade!

### Hello Lovelies,

I have quite the stable of book boyfriends, but this February, I have to admit that Cade has my heart. The youngest Frasier boy is filthy in all the best ways and I can't wait for you to meet him! He's a very... *VERY* giving lover... and his tongue is not just made for talking. ;) Though, when he does talk, he's all possessive and dirty! YUM!

I'll admit he's a bit of a butthead when it comes to relationships, but he makes up for it doing the horizontal tango! Cassandra and I had fun getting Cade and Cindy together! **PreOrder today** to meet my most recent Five Pointer. ;)

I've also been busy writing book one in The Forgotten Boys series... Can you guess, from this Tiktok, who it's about? **Who is it?**

And in Audio News! The Revelation Duet is live on Audible and Apple books. Joe Arden and CJ Bloom's performances in this duet are a masterclass in narration!

Sin is releasing in audio on February 14th. Aiden Snow and Samantha Cook gave life to Sin and Tiff and I can't wait for you to hear them! You can **preorder today!**

And, by now, I know you little audio gluttons! You'll want to know when Steel is releasing... The **preorder** is live, and Aaron Shedlock and Samantha Brentmoor will allow you to hear Steel and Stone for the first time. That hospital scene where Stone is a lady boss? Oh, you need to listen to it!

---

That's it for me right now, until next time!

Happy reading and happy Valentine's!

Love,  
Serena xo

*RUTHLESS HEIR BY SIENNA SNOW*

## Ruthless Heir

by Sienna Snow

I'm the player, the gambler, the one without a heart or soul.  
There isn't a risk I won't take and a challenge I won't meet.  
Then she came into my world, melting the ice in my veins and showing me a life  
a man like me never deserved.  
But it was all a lie.  
She chose a safer, easier path, realizing too late, it was riddled with chains.

THE SOCIETY #THIS IS WAR BY IVY SMOAK

## The Society #This is War

by Ivy Smoak

My boyfriend was kidnapped.

And all signs point to him being held at Club Onyx – the most exclusive club in the city.

There's just one problem...

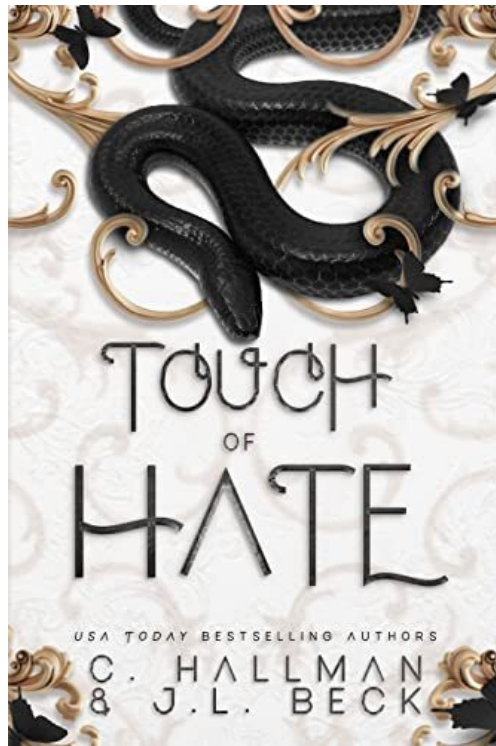

I have no idea where that is.

But I will find him.

No matter what it takes.

This is war, baby.

## Touch of Hate

by C Hallman & JL Beck

Betrayal cuts the deepest.

I would know better than anyone.

They never suspected me to be the villain.

That didn't matter anymore, though, because I didn't just want revenge, I needed it.

Leaving my old life behind, I knew I could never return, but there was something... no, someone I had left behind.

Scarlet.

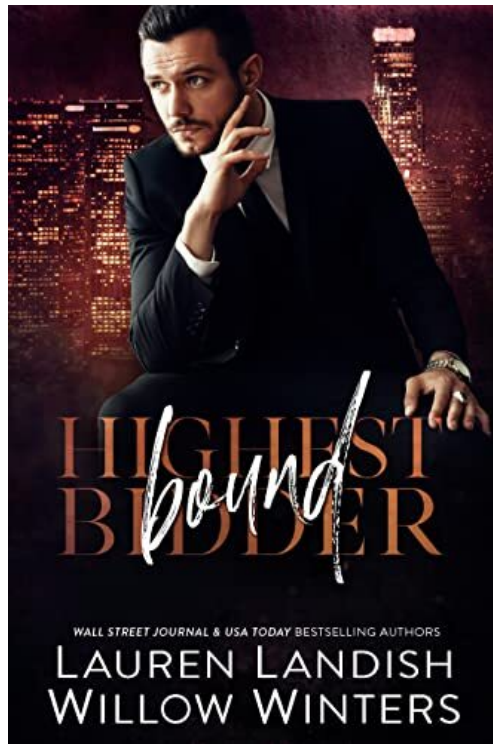

Kind. Innocent. Fragile.

She was a light in the darkness of my life.

Back then, she was always meant to be mine, even if having her meant breaking every single rule.

Now enemies or not, she would still be mine.

LANDISH*

## Bound

by Willow Winters & Lauren Landish

I had everything.

Wealth, power... and her.

It started as an irresistible and provocative game. Only elite circles knew about the club and what happened behind closed doors.

A monthly auction. A high price bid. A woman I was never supposed to fall in love with.

I taught her what submission is and she loved it more than I could ever imagine.
