Have you guessed who?

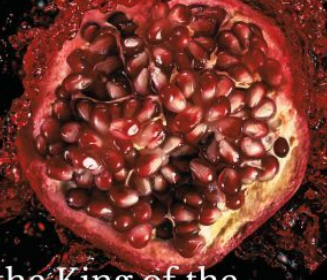

Hello Lovelies,

I am beyond excited to finally share with you the blurb for the **first book** in my brand new series, set in the Five Points Mob Universe, **The Forgotten Boys!**

This is my take on an Hades and Persephone modern retelling...

BOOK
ONE

THE
FORGOTTEN
Boys

I sit on a throne of sins.
Silent in the shadows, untouchable like the King of the
Underworld himself.
Few even know the sound of my voice, but those who fear me
call me Monster. My men just call me Pakhan.
To her, I am Nikolai.
Her savior. Her captor. Her lover.
With hair as bright as the sun, a face that could sink a thousand
ships, and more curves than I can handle, Cassiopeia. Is.
Everything.
But she's in danger.
And safety comes with a price tag.
She can fight that, can even fight me, but I'm her Hades and I
won't let my Persephone go...

Cover reveal will soon come but I couldn't sit on this any longer... You've met Cassiopeia in Filthy King... and well now Nikolai's met her and he will do anything to keep her!

You can preorder Book One in The Forgotten Boys [here](#).

It will eventually be released in audio, and I already know who will voice Niko and Cassie and your ears will be in for a treat!

He's stalking me.

Someone has been in my home, left messages on my wall.
I've had dreams that a stranger in a mask touches me while I'm sleeping,
forcing my body to bend to his wicked ways.
But I want more. Crave more.
He has the key to release me from my prison.
Can I trust him, or will he be the end of me instead?
