**Hello Lovelies,**

I've been itching to share this man with you for sooooo long now that I'm bursting with glee for you to meet my muse and see the cover of SILENCED.

Ladies, meet Nikolai!

*Coming June 1st!*

Thanks to the amazing work of Letitia Hasser from RBA Designs and the eye of Daniel Jaems, this cover sets the tone not only for my Hades and Persephone retelling but also for the whole series! It's gritty and raw and powerful, much like my forgotten boys!

And who is the man behind Nikolai you ask? Well, his name is **Aaron O'Connell** and he has inspired so many dirty, filthy things...

Not much longer until you can get your hands on this bad boy... And for those wondering, it *will* be coming to audio. Though, because I wanted a special voice for Nikolai, the audiobook will not be available until 2024. But I promise you it will be worth it!

Can't wait to hear what you think...

Until then, happy reading!

Serena  
xoxo
