## Hello Lovelies,

I've had lots of questions about upcoming books! So, here's a nifty list. Keep in mind that unless a date is formally announced, this is as close to precise as I can be.

### To Be Announced (TBA)

*This generation, I'm hoping to release in the next year or so:*

Stan (Valentini Family 3rd Duet)  
North (Ohio Chapter)  
Maxim (The Forgotten Boys)  
Sweet Lips (Ohio Chapter)  
Dead To Me  
Hockey WIP

### Next Generation:

*This generation is ultra TBA*

Rain  
Shay (Seamus)  
Wynter

### Work in Progress (WIP) but no date currently in sight:

Sun Child

Bash & Rosie  
Dare (Hawkridge High)

### **Audiobooks**

*Specific dates to be announced, but most are in different stages of production.*

Filthy Lies (2023)  
Filthy Truth (2023)  
The Intern (2023)  
Filthy Sinner (2023)  
Filthy Disciple (2023)  
Hawk/Storm/Rex/Rachel (2023)  
Silenced (2024)

All my mafia stories **WILL** be coming to audio at some point.

While I'm here, let me share with you today's teaser for Silenced... let me tell you the way Nikolai worships Cassie... Phwoooar! We should be so lucky to be the object of his affection!

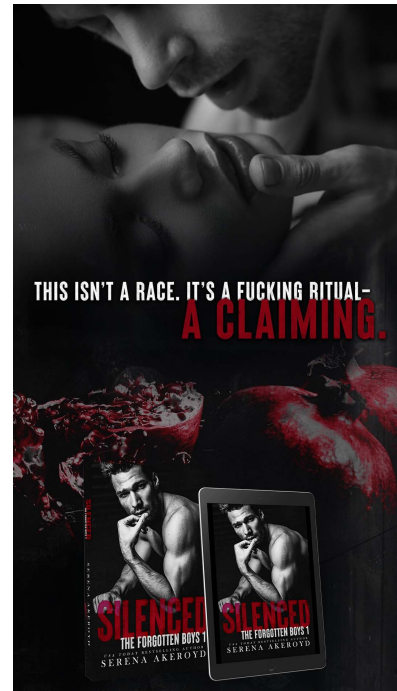

Next time you find me in your inbox, I will have an excerpt of Silenced for you!

I hope you are ready to be swept off your feet by my next obsession... The Forgotten Boys!

Can't wait to hear what you think...

Until then, happy reading!

Serena  
xoxo

Today I called him my fiancé. Tonight I'll call him daddy.

When I claimed to be Roman Romanov's fiancé, I just wanted a Russian to leave me alone at a club. I didn't know another bratva boss was upstairs at that very moment trying to get Roman to marry his daughter, and definitely I didn't expect to end up going home with Roman that night.

**He's not my King.**

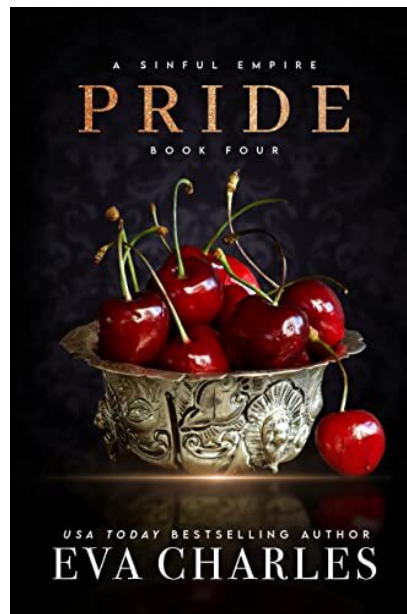

Tall, rugged, and focused on destroying my family, Brody O'Connor's the one person I need to avoid.

He seduced me on purpose and now I'm paying the consequences.

Every step I take, he's there, lurking in the shadows, studying me, waiting for any chance to undermine my efforts to become my father's successor.

He's succeeding.
