by Nana Malone

is available FREE to Billionaire Book Boyfriend Club members only through June 14th.

Emma Varma remembers me as the black hearted prince of Eton prep... but the hardened man I've become won't be so easily burned.

Her return to London has nothing to do with me and everything to do with retribution.

Gone is the wild child I remember and in her place a striking beauty, tempting me with a second chance to break all the rules that I missed the first time...

before I was man enough to make her mine.
