Hello Lovelies,

Ohhh, do I come with treats for you today!

**The Intern**, my first venture into MM Romance, is finally available in audio... and I don't think you are ready for this, but you need to run to audible to grab this book! For the first time together on an MM title, **Joe Arden** pairs up with **Jacob Morgan** to give life, love, and ALL. THE. FEELS to Micah and Devlin. The sheer performance genius these two men bring to their interpretations will

have you wondering why they had never paired up before! I am so incredibly blessed that they agreed to collaborate on this title and I can't wait to hear what you think!

But **Maverick** also released in audio this month! Narrated by **Stella Bloom** and **Stephen Dexter**, it is another emotional ride. There is just something about audiobooks, and the talents these narrators have that make my stories hit even harder!

**Filthy Lies** and **Filthy Truth** are coming in a little over a week to audio too... It's a month for eargasms! :P You can pre order those two gems today! **Joe Arden** and **Maxine Mitchell** reprising the roles of Conor and Star = MORE. OF. ALL. THE. FEELS!

And **Hawk** is also up for preorder on Audible!

I've been quiet and hiding in my writing cave lately but I am so excited about what is to come. Losing my beloved dog, Trever, still has the power to bring me to my knees but I've been smiling like I haven't been for a while and my secret projects and how happy they make me are one of the reasons why. It feels fantastic! New things, *different* things are coming and I hope you will follow me on this journey! I'll have more for you real soon!

Oh, and as of this week, Sundays with Serena are going to be a thing in my Diva reader group and Spoiler room. Come and join me at midnight GMT+1, or 6pm EST for some giggles!

Until then... Happy Listening!

Serena  
xoxo
