Conor and Star's Duet is Live on Audible!

Hello Lovelies,

I am so excited for this... because now you finally get to hear the voices in my head! The Filthy Feck Duet aka **Filthy Lies** and **Filthy Truth** is finally live on Audible... Don't walk, RUN to get these! Joe Arden and Maxine Mitchell didn't just bring them to life, they understood the assignment!

Here's a little taste of their magnificent performances in **Filthy Lies**. You know

narrators have done a great job when I can listen and forget these are words I've written...

And to celebrate this release, I will be talking with Sarah from @sarahlvsromance_1201 on IG tomorrow, July 5th at 2PM Eastern! I can't wait to dish all things Five Points and maybe even talk a little bit about my secret project... who knows ;)

On a side note, for those I will be seeing at Rare London in just a few days, I have donated quite a few copies of Filthy Sinner... grab one if you can and make sure to stop by Samantha Brentmoor's table, as she will be the voice of Mary Cat. I am so excited that production has started on Filthy Sinner. Joe Arden will be taking on the role of Digger to complete this narrating duo. More to come on when it will release!

Hopefully I'll see you tomorrow! Happy Listening!

Serena

xoxo

PS: If you haven't read *The Don* yet, it is free right now (link below. Not on Amazon.) and **The Lady** is only 99 pennies for a few more days...
