BAD BOYS YOU WANT TO TAKE HOME

Hello Lovelies,

I am so excited for you all to get to read End Game... only 2 more weeks and you will see what a dirty talker Liam is and how Gracie dishes it right back! There is just something about him using French terms of endearment when he speaks to her that hits me right in the feels! And... lower. :P

Stay tuned because next week I will have an excerpt for you all to get a taste!

Remember! This is a live release so there is no preorder, but I will make sure to email you as soon as it is live!

Add End Game to your TBR!

In other news, two of my first in series are part of the 2-for-1 sale on Audible. So if you had been waiting to get **Nyx** and/or **Hers to Keep** in audio, now is the time run to Audible. This sale is only on .com. Just as an FYI, I have no control over what audiobook is on sale on Audible.

Also keep scrolling cause I have a few delectable freebies available in this newsletter!

Until next time, happy reading!

Serena
xoxo

Lennox North is a psycho.

I know, because he's my boyfriend's twin, and even his own brother hates him.

He buries men and hunts women for sport. He's got a body count, and not the sexy kind.

Descent Into Madness

by **Fiona Murphy**

I'm told the man I'm to marry is a psychopath. He doesn't feel. They say it's a good thing, no feeling means no anger for me to fear. Except they don't see the flip side. If he can't feel, he can never love.
