Hello Lovelies,

I am in Australia right now for Fiction and Friction, but I thought you all would enjoy some steamy hot books to entertain you this weekend or add to your TBR <3

Grab'em while they're HOT!

Also, I wanted to thank you from the bottom of my heart for making End Game an Amazon Top 100 Best Seller in the US. Your love and support humbles and touches me deeply! And I can tell you that Cole and Mia have been whispering sweet nothings (or somethings) in my ear. ;)

Gem/Serena
xoxo

Sinner's Redemption

by **Bianca Borell**

She's everything he loves, and everything he condemns.

He's everything she loves, and everything she regrets.

Raised in a gilded cage for most of her life,

Hayden is enraptured with the shy girl volunteering at his grandmother's nursing home. He shouldn't fall for her, knowing what family she belongs to, but he's incapable of staying away. Loving her comes at a high price, shattering his world in an instant. His desire for revenge might mean the end of any chance for the future with the one woman he can't live without.
