## Hello Lovelies,

I'm on my way back home from Australia, and I thought I would drop you a line or 3.

First, have you gals had a chance to grab **Rex** in audio yet? It just released on Audible and let me tell you... Connor Crais as Rex and Lessa Lamb as Rachel... I was not ready but I am so here for it! The preorder for **Rachel** is already up and the audiobook is releasing on December 19th! And that will mean all my Sinners can now be heard!

To tide you over until December, the OG cross over book between the Sinners and the Feckers, where their business became joined in holy matrimony ( or Vegas matrimony as the case may be ;) ) is up for preorder on Audible right now! Narrated by Joe Arden (I had to make him a Sinner!) and Samantha Brentmoor, **Filthy Sinner** will blow you away! My ALC Team is about to start listening and I can't wait to hear what they have to say! I've been listening during the flight and if Digger hadn't snagged a hold of my heart, he has now. I can't wait for you guys to get your hands on this one!

Finally, for those worried ... End Game is in the booth now! SQUEE!!! And I can tell you, the New York Stars Series will be recorded 'Duet Style.' Which means that all the women will be voiced by a woman and all the men by a man. End Game will be my first duet narration book and I am so excited for this new chapter in my audiobook journey! I'm even more excited for you to learn who the narrators will be... ;) Yes, I'm totally a tease but you should expect that of me by now!!

Until next time, happy listening!

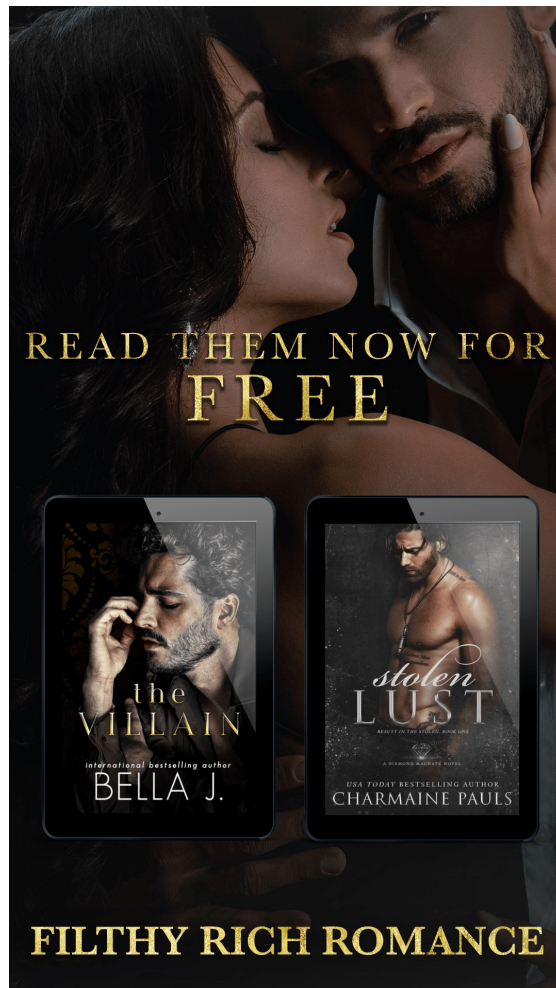

Gem/Serena

xoxo

## RECOMMENDATIONS!

*ILLICIT OBSESSION* by J.A. OWENBY

### Illicit Obsession

by J.A. Owenby

The day my stepsister died she took my heart with her.

Now, I'm a shell of a man, a cold-hearted monster.  
Imagine my surprise when the love of my life shows  
up at Whitmore University alive and well.

I'm ready to make her pay for destroying me.  
This isn't a fairy tale, and I'm sure as hell no knight in shining armor.  
I have no problem dragging her into my dark world along with me.
