Hello Serena's Divas!

It's been a while since I've hacked, *coughs*, I mean, *used* Serena's newsletter for my personal affairs, but the time has come yet again.

I want to thank you for all the help you ladies provided in finding my Star.

What a journey it's been...

Maybe you're wondering why, oh, why would I come here today? You thought our story was told! Well, ta-daaaaaa. It's because my lady is finally getting the cover she deserves! The cover that patches her in as an official member of Satan's Sinners' MC!

God, just look at her.

Can you blame me for flying across the world to Russia to find her? She's so breathtakingly beautiful in her cut...

I can't wait for you to see a Christmas Day unravel Fecker-style! I know Serena slipped that story into the end of this book, and trust me, it's a doozy. Nothing ever goes right when my brothers get involved in a plan. Hope you're stoked to read it!

I'd better give access back to Serena or God only knows what torment she'll put my family through. Yeah, I haven't forgiven her.

Yet.

Lodestar

CONOR

She's difficult.

Dangerous.

Deadly.

A sister in our allied MC.

My da would have told me to avoid a woman like her,
but she shot him before he had the chance.

Lodestar stirs fear into the hearts of the Elite. (xoxo)

Now I'm scared too.

For her.

She's not only ghosted me, but her daughter too.

If she's gone dark, I'll hunt her down.

This Fecker isn't about to lose his soul mate.

This is an omnibus of the 'Filthy Feck' duet - it includes a never-before-published novella!

I'd missed Conor hacking into my newsletter!

A year ago to the day, I was working on writing the Filthy Feck Duet. It only seemed fitting to give you all a little present to celebrate them. Lodestar is an omnibus (which means it's both Filthy Lies and Filthy Truth in one big book) of the duet and as Conor gave the spoiler, I'll admit that I've included a never-before-published Christmas novella where you get to see all your favorites again!

Lodestar releases on December 21st. Just in time for you to have something to read while you wait for Santa under the mistletoe ;)

Stay tuned because next week I'll be revealing the title and tropes of the second book in G.A. Mazurke's New York Stars series... and you do not want to miss it! (Conor's probably ready for some info too.)

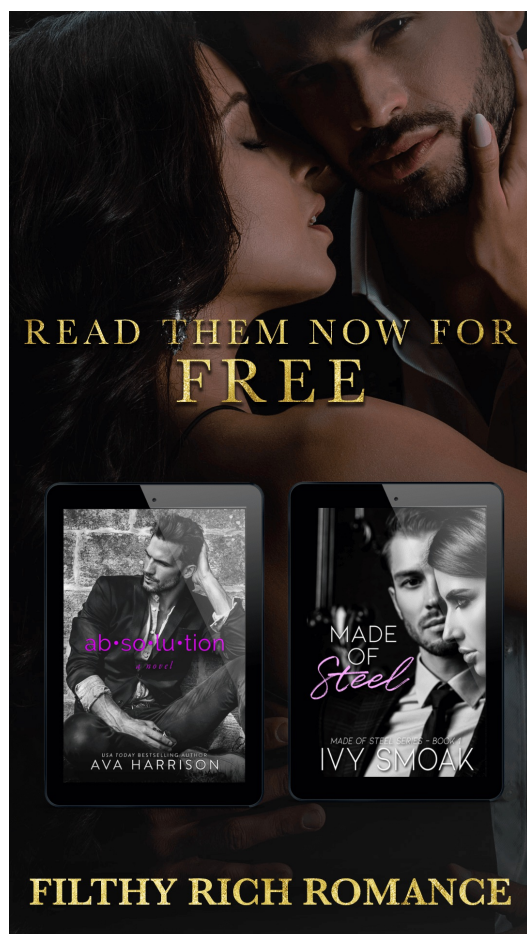

Love,

Gem/Serena

xoxo

P.S. Do you want to keep in touch with the other side of my personality? Make sure you sign up for her newsletter **here**.
