BAD BOYS YOU WANT TO TAKE HOME

Hello Lovelies!

Meet COLE!

AKA **Chad Hurst**, captured by the incomparable Michelle Lancaster!

This cover, designed by Letitia Hasser from RBA Designs, sums up a side of Cole that I <3 soooo much.

Our guy has a heart of gold, eyes that can see through to your soul, and isn't afraid to plant so he can wait you out when you're being... difficult.

Hence the title!

Who's in love with this man already?

I know I am!

Illustrated

I cannot with how much I love this cover by Chelsea Chira!

There are some little details here that are Easter Eggs and I cannot wait for you to read about them!

But firstly, our man is NOT afraid to wear pink pants and that bulge... oh, yeah, it lives up to the promise.

Discreet

I love this cover so much too. Chelsea, who's designed this one as well, has given me a new appreciation for Discreet Covers!

Soooo pretty and so fitting because Cole loves pink, bahahaha.

Our alpha dude's verrrrry secure in his masculinity. And what can I say? He's right to have faith in pink because those fave jeans of his show off his butt to P.E.R.F.E.C.T.I.O.N.

At least, that's what Mia's told me. ;)

WAITING GAME

No-strings-attached hook-ups are my jam.

**After a hockey player hires me to improve his skating skills,
sparks fly and a second-night stand sounds like a damn good time.**

I have zero regrets...

...till he ghosts me.

**Now that I've lost my summer gig, I get on with my life,
picking up an old side hustle to keep myself afloat.**

**A top-tier viewer makes me an offer I can't refuse—
private, exclusive sessions for an outrageous fee.**

He's perfect until he sends me Cole Korhonen's jersey to wear for him.

Turns out the ghost and my viewer are one and the same.

I'm a cam girl.

Cole's a hockey star.

Can a one-night stand ever be anything more?

Waiting Game, aka Cole and Mia's story, aka **Cola**, will be releasing January 22nd 2024! And check out these tropes!!!

Secret relationship ~ Golden retriever hero ~ Curvy heroine ~ Pierced for her pleasure ~ Band of brothers ~ Heroine in distress ~ Cam girl

Ooooh, and don't forget that tomorrow is the highly anticipated release of **Rachel** in audio! Connor Crais and Lessa Lamb reprise their roles of Rex and Rachel for the final installment of A Dark and Dirty Sinners MC Series!

Love,

Gem/Serena
