BAD BOYS YOU WANT TO TAKE HOME

THIS IS AN OMNIBUS OF
THE *Fifth Rock* DUET - IT INCLUDES
A NEVER-BEFORE-PUBLISHED NOVELLA!

AVAILABLE NOW!

Hello Lovelies!

Lodestar is here!

In kickass Sinner branding. Woop! We gotta represent her past, don't we?

For those wondering... an omnibus is like a big, big, *big* book that includes two or more other books. In this case, Lodestar includes Filthy Lies and Filthy Truth... But I needed to give you a little something for the holidays... And in this case, it's a never-before-published Christmas Novella.

One thing that I adore about Conor is how he celebrates Star.

Her quirks and her faults are things to be cherished.

In turn, he teaches Star how to let him in and once he's done the impossible, that's it.

End. Game. :P

I can't wait for you to see Star's quirks in action when it comes to hosting Christmas Day at her and Conor's place...

To celebrate, and you are entered by opening this newsletter, I have TWO paperbacks of Lodestar to give away! Best of luck!

Lodestar

CONOR

She's difficult.
Dangerous.
Deadly.
A sister in our allied MC.
My da would have told me to avoid a woman like her,
but she shot him before he had the chance.
Lodestar stirs fear into the hearts of the Elite. (xoxo)
Now I'm scared too.
For her.
She's not only ghosted me, but her daughter too.
If she's gone dark, I'll hunt her down.
This Fecker isn't about to lose his soul mate.

This is an omnibus of the 'Filthy Feck' duet - it includes a never-before-published novella!

December seems like it's a month of completion for me. With Lodestar now having her Sinners book, and Rachel being available in audio... I am truly turning a page on that series. Mind you, hehe, you know I struggle with goodbyes... So check out Waiting Game in January... You may see a cameo or two from characters you love!

It seems fitting that I start this year with Conor and Star and then end it too. These characters have shadowed me for years, haunted me, really. (In a good, hackery way lol.) Now, their story is live and you can see them in the flesh - a real, true couple. I hope that makes your heart as full as it does mine.

I won't speak to you again until after Christmas Day, so, I wish you the most beautiful of holidays from my family to yours. I hope you spend it with those who matter to you - be they human, fur, or books.

Much love,

Gem/Serena
xoxo
