Hello Lovelies!

What a crazy year 2023 has been!

I've published over **800,000 words**, visited with you in **three** countries (and therefore **three** continents!), attended my first convention in the US and the UK, and have released seven titles and sixteen audiobooks!

I **completed** the Five Points' Mob series, delved into a new-to-me genre, (hockey romance,) and next year, that'll be my first release! Watch out for more new-to-me genres in 2024! (Spoiler ... this new couple has been screaming at me so loud that DURING edits for Waiting Game, I was able to write **55,000 words** in it!)

You learned that Gemma is my real name and Serena is a nom de plume.

I attended my **first** hockey game in Denver and have watched many on TV since!

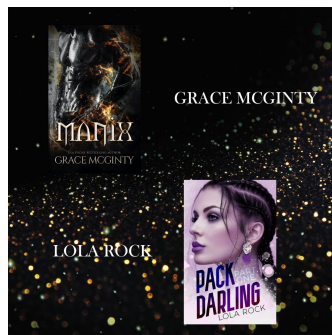

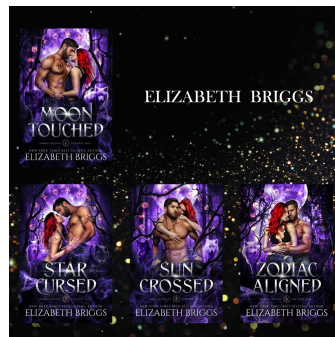

And I fell over so many times when I was Down Under, that it might be safer for me to stay Up Over LOL

I've done my first special edition (there will be MORE), my first illustrated cover (there will be MORE) and my first discreet (there will be MORE!)

I've read countless amazing Dramione Fanfics this year. It's *a little bit a lot* my obsession if I'm being honest, Imao, but also started reading some of my contemporaries again this year.

Some of my favorite reads are below.

I guess I was in a 'why choose,' PNR and Omegaverse mood. High heat, great plots, and lots of smuuuuut! Woop.

Last time, I promised two readers paperbacks of Lodestar!

ciera#####@icloud.com and pris#####@bellsouth.net, Anne (my EA) will be in touch with you to get your details so we can send them to you in the new year! Congratulations to you both!

What a year!

Thank you so much to all of you for following me in my new journey!

I can't wait to see what 2024 holds for us all.
Happy New Year, everyone!
Much love,
Gem/Serena
xoxo
