BAD BOYS YOU WANT TO TAKE HOME

KORHONEN

42

NEW YORK
STARS

Hey Smut Lovers!

Some of you know me, most of you have yet to discover the phenomenon that is Cole Korhonen. So, let me introduce myself, my name is Cole, and I'm the hero of **Waiting Game**.

You'll learn more when you read all about how I found my very own book girlfriend!

Wait, no, book fiancée!

(I mean I did propose ... and I'm hearing whispers that my proposal was 10 stars-worthy on a scale of 5!)

But you know that's all in our HEA...

Yes, you see I speak your lingo because I too read romance...

Smut is no longer a man-free zone, ladies, because Cole Korhonen is in the house!

So, how about it? Hockey romance, she's a cam girl, I'm a hockey player, she has curves for days, I have tattoos and, erm, a special kinda bling (*waggles eyebrows*) and we need to keep our relationship a secret because... okay, there's no getting away from it: Mia wronged one of my closest friends. BUT, there's no 3rd-act break-up because I hate them, and zero miscommunication because, OMG, can we leave that out of romance, PLEASE?

Anyway, I digress. If you want to read about how I charmed the panties off this fairy on skates... Pick up **Waiting Game** today!

Oh, and my buddy Liam's book, **End Game** is only 99 pennies right now (and not for long!) so make sure you grab it while he's hot!

What readers are saying!

One of the best reads of 2024, *Waiting Game* is such an amazing story.

Ohhhhhhhh, I'm so freakin' happy right now! My little-big Tigger took over my newsletter... and I love it! I've been obsessed with Cole and Mia for months - literally because I finished the first draft back in September! - and now it's time for you to join me in the insanity!

Let me know what you think of their story... And don't forget when *Waiting Game* reaches 1000 reviews, I'll post a bonus scene in my Tea and Spoiler Room on Facebook!

Much love,
Gem/Serena
xoxo
