BAD BOYS YOU WANT TO TAKE HOME

PREORDER TODAY!

Hello Lovelies!

For *Things Left Unsaid*, I am putting together my very first PR box and what an experience it has been. Team Gemma just received the boxes this week... They are so beautiful!! I can't wait to be able to show them to you!

Here is a sneak peak at the Cast Card that will be included in the book, and also in the PR boxes... Isn't it gorgeous?!

You may recognize some names... And trust me when I say the Easter Eggs in this book will make your heart happy! I will never be able to say goodbye completely which is a win-win for you because you don't have to either! ;)

I am currently working on two, count 'em, *two* secret projects that will have many of you so excited! All I can say is that it involves audiobook releases... and I can't wait to share those with you when the time is right!

xo

Elliott Springs has small-town values, cobblestone streets, perfect scenery. These are things I don't care about. What I do care about: Revenge. And no matter how incredibly compelling I find Liam Doherty—the gorgeous contractor focused on saving Elliott Springs—I'm going to get it.

Ray:

Rule #1 of almost dying: Make sure someone knows your passwords. It's hard to cancel your phone plan if you're dead.

Rule #2 of almost dying: Make sure your house is clean before you walk up the steps to the pearly gates. It makes selling off your life easier.

Back-up plans are for people who plan on losing.

It took eight seconds for me to win the biggest competition of my life, and one second to lose everything except that championship buckle.

I had left my family's cattle ranch at eighteen with no intention of ever coming back for good.

Now I was back, stuck in a wheelchair with a beautiful disaster attempting to burn my house down.
