BAD BOYS YOU WANT TO TAKE HOME

PREORDER TODAY!

Hello Lovelies!

2 weeks! 2 small weeks until you can get your hands on Things Left Unsaid...
The wait is killing me!!!

So, I thought I would introduce you to this little rural town, I created, in Saskatchewan. It's a shame really that it's made up, because I could so see myself moving there and living there. With The Coffee Shop and Harold's baked goods... You know that's where I'd love to sit and write. And the Glover's and Co. General Store where Mumsy would love to hunt for a good bargain. I could get my hockey fix at the Cole Korhonen rink, and who knows... maybe even learn how to skate? If a certain number 42 for the New York Stars was giving lessons or maybe his lovely fiancée Mia. Okay... who am I kidding? I would hurt myself and my ego! LOL.

My EA, Anne, is actually the map creator and every time she showed me a logo or one of the little buildings, my heart just freakin' melted. Pigeon Creek is definitely becoming my second home. I can't wait for you to visit...

So have you preordered your copy of **Things Left Unsaid** yet?

A Major Puck Up

by **Brittaneé Nicole**

There are only a few rules I live by: enjoy life, smile as often as possible, and don't ever let a woman come between friends.

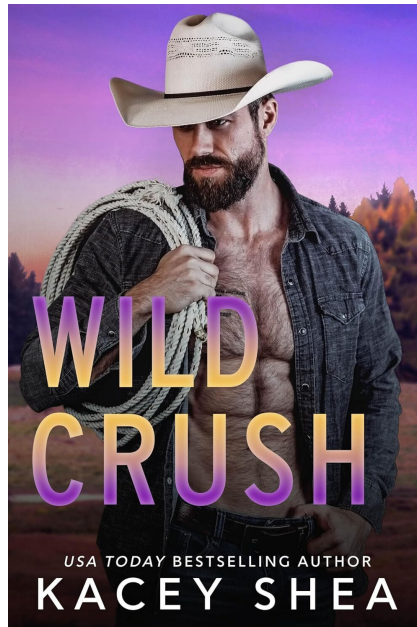

Oh and hockey is life.

For the past forty years I've done an excellent job at every single one of them.

Until Millie Hall.

To be fair, I had no idea who she was that first night. Can't say the same about the second.

WILD CRUSH BY KACEY SHEA

Wild Crush

by Kacey Shea

I've loved Maeve Wilder my whole life.

She's never seen me as more than a friend but that's my fault. By the time I was brave enough to confess my feelings, I was too late.

She met the man she would marry and it wasn't me. I missed my chance.

Now we're in our thirties, still the best of friends, and I've made peace with the fact my unrequited love will never amount to more than a wild crush. Mostly.

FIREFLY EFFECT BY K.K. ALLEN

Firefly Effect

by K.K. Allen

When a single dad moves to a small mountain town and becomes obsessed with a potential client—a beautiful woman haunted by her tragic past.

For years, tales of the Firefly Man were nothing more than elaborate rumors spread by residents of the Appalachian Mountains.

Until the night Evelyn Vaughn stumbled upon a dead body in the woods.

Fear gripped her, and silence stole her voice.

All while she watched the boy she was with that night take the fall.
