## BAD BOYS YOU WANT TO TAKE HOME

LIVE NOW!

**[Book Store](#) - [Merch Store](#) - [Website](#) - [Reader Group](#)**

Hello Lovelies!

It's finally here! The release day of **Things Left Unsaid** and, miracle of miracles, it's available in all formats! :P The author in me found her happy place in Pigeon Creek and I hope you'll join me there and fall in love with brand new families and characters.

I promise you'll find the family dynamics, the banter, the suspense and the love you've come to expect from my books.

# Now LIVE

"Maybe I'm just waiting for you to catch up."

"I'm plenty caught up," I holler at her.

"Says the man stroking his horse and not his wife," she retorts, lifting her hand over her head and flipping me the bird. !!!

The way Colt loves Zee, his land, his brothers, his ranch... and how he defends what's his... Gah! This man makes me weak in the knees... And hearing Connor Crais bring that side of him to life along with his chemistry with Stella Hunter.  
*fans herself*

For once, we don't have to wait! It's whispersynced! :O

You can now buy the paperbacks for TLU from my **Book Store**! When you do purchase a book from me, it will come with some swag and a book plate, though that will ship separately. *For the time being my book store is only available to the US and the UK.*

I also now have **MERCH**! It's mostly Pigeon Creek at the moment, but my team

is hard at work bringing you merch from all my series! And here's a scoop...  
You'll be able to get your very own Korhonen New York Stars' Hockey Jersey!  
But more about that later...

I can't wait to hear what you think about Things Left Unsaid! Make sure you join  
me in my **Spoiler Group** to dish about everything Pigeon Creek!

Until next time, happy reading/listening!

## Recommendation

WITH A GRAIN OF SALT BY MARIE JAMES

### With a Grain of Salt

by Marie James

There are certain rules that make the widows of servicemen off-limits. As a veteran, I'm well aware that Claire Kennedy is forbidden. It's why I've kept as much distance between the two of us as I can manage in our small town.

When she came looking for a job at my bar, I refused to hire her. That didn't stop the gorgeous spitfire from showing up, putting on an apron, and getting to work one day while I was gone.
