BAD BOYS YOU WANT TO TAKE

PREORDER TODAY!

Hello Lovelies!

It's been a crazy couple of weeks what with a new release and some surprises coming up, so I haven't really taken that much time for myself. On the horizon, however, I have some diamond art incoming and also a very long date with my

ereader! How are you going to be spending this summer?

Now, when I mentioned surprises coming up... here's one of them!

Some books need extra love. Some books are written before the author is ready to write the characters' stories. Some books deserve reincarnation.

And that's what Broken is. Four years ago, it was a passion-project title at a time when I wrote mostly Why Choose and not MF. And, because it was, I decided to pour some extra love into it with a complete rewrite and, just you wait... When you know who's narrating our troubled priest, you're going to lose your minds! I cannot wait for this man's rumble to serenade me with Savio's story!

Yes, you read that right. Savio is a priest, who has a habit of avenging victims in an unorthodox way. As for his heroine, Andrea, she has the soul of a stalker... Nicolas and Luciu have competition!

So, mark your calendars - August 1st is the date it releases in ebook and paperback, with the audiobook releasing a few weeks later!

Watch this space because, over the upcoming weeks, I'll be dropping the trope reveal, the cover and blurb reveal and allllll the teasing! God, they are naughty and I. Am. Here. For. It!

Team Gemma has been hard at work in the past couple weeks! And we now have a merch store! New merch will be dropping regularly as the ladies keep blowing my mind with all they're able to pull together.

One of my dreams when I started writing the New York Stars series was to be able to have my billet boys' jerseys made. Anne, my right-hand woman, was able to make it happen! So you have 'home' *and* 'away' options! For now, we have Cole and Liam's available, with Matt coming soon!

So check out all the things at **merch.serenaakeroyd.com**. And I'll make sure to keep you in the loop when new stuff is added!

Much love,
Gem/Serena
xoxo

There's nothing more liberating than picking up your life and relocating. I needed a fresh start, desperately looking to get away from my past. Stewart Grove is such a cute small town and seems like the perfect place to settle. Add in the fact I got a job serving at the popular Burgers and Brew restaurant, and everything seems to be clicking into place.

STERLING STREAK BY LB DUNBAR

Sterling Streak

Love was a losing battle for this country music darling and a single dad, baseball star until one night brings them together and one small town sets the playing field for a possible winning streak.

They call me Lady Boss. Maneater. Queen. But beneath the makeup, blond wig, and glitzy costumes, I'm just a country girl who likes to sing. I don't hate men, I'm just struggling to find a good one. I've learned my lesson. Fool me once, and it will never, ever happen again. So I'm baffled when I meet Ford Sylver.

"I'm plenty caught up," I holler at her.

"Says the man stroking his horse and not his wife," she retorts, lifting her hand over her head and flipping me the bird. !!!
