## BAD BOYS YOU WANT TO TAKE HOME

**Book Store - Merch Store - Audiobook Store - Reader Group**

Hello Lovelies!

Today is Stuff Your Kindle Day over at **Romance Book Worms!** And I am so excited to be joining over 1000 romance authors on this day of spreading the love ;).

You can get **His to Keep** for **FREE** on Amazon today ONLY! This is an MF romance that is part of the Quintessence Universe. Let me tell you a little bit about their story.

**Etta** (Alice) and **Tin** (Valentin) have been best friends since they were toddlers... She is a princess of the kingdom of *Veronia*. (Theirs) He is the oldest son of Sascha and her five men and works for MI6. (Quintessence)

One day, he wakes up in Vegas, hungover and married to Alice. Hurt and betrayed, he leaves her (but he doesn't get an annulment the sneaky devil!) Years later, he takes a bullet meant for her, realizing that she would always be his to keep... This story is romantic, angsty and steamy. But also filled with witty banter, caring families and a love that runs so deep that nothing could stop it! If you've enjoyed my Feckers, my 7Cs, my Sinners or my Valentinis... *His to Keep* should be right up your alley!
