Hello Lovelies!

So many of you have been asking me when my Stars will be coming to audio...

Well, the wait is almost over! September 26th is when BOTH End Game and Waiting Game will be releasing on Audible. And, ooooh, boy, do I have a treat for your ears...

It took us a while but gosh was the wait worth it to have these books performed in duet narration (that means the female narrators do all the female voices and the male narrators do all the male voices) by some of the top narrators in romance today!

End Game is narrated by Teddy Hamilton and Samantha Brentmoor. Trust me when I tell you that you'll swoon when you hear Teddy say *bébé!* The melting you're about to do is going to be off the charts!

Waiting Game is narrated by Aaron Shedlock and CJ Bloom. These two bring emotion and laughter to Cole and Mia. And did I say heat? I don't think I did. THE HEAT. You guys!!!

And because I am all about good news today... You can buy End Game for a limited time for 99 cents! That's in the **US**, **UK** and **Canada**. So if you want to whispersync... Now is the time to grab it! We're all about planning!!

If you want to hear teasers, make sure to check out my **Instagram** or my **Facebook Reader Group**.

Happy reading! Or do I mean... listening? ;)

Much love,

Gem/Serena

xoxo
