BAD BOYS YOU WANT TO TAKE HOME

Hello Lovelies!

I am deep into my writing cave and because of technological glitches I've lost over 60K words that I had written in the past month...

To tell you the devastation of those words being gone, I can't begin to express. If I'm honest it has crushed my spirit - a lot. I try to roll with the punches the universe sends my way, but I'm struggling this time. Thank God for Cody and Tee - they've kept me going.

Their story, I'm actually writing under my real name, and the swoons I'm swooning. It's a wonder that I can concentrate. Cody's a certain type of special and Tee is my favorite kind of heroine!

While I've been hunkering down and typing away, Team Serena has been hard at work making some of my most requested merch items! The Sinners, The Feckers, the NY Stars even The Posse all have hoodies. We have pullovers and zip ups, which are available from S to 5XL in most colors!

So whose brand / name do you want to keep you warm? You can check them out in my [merch store](#).

Yesterday marked the release day of **End Game** and **Waiting Game**, my two hockey romances, on Audible! They are *whispersynced* and also available in KU. If you were wondering what happened to Paddy O'Donnelly's son, Liam, well, **End Game** is where he gets his HEA! As for **Waiting Game**, it introduces a brand new family with brothers you'll fall in love with.

Thank you, as always, for your support. It means the world to me.
And until next time, happy reading!

Much love,
Gem/Serena
xoxo
