Hello Lovelies!

I feel so powerless watching as yet another hurricane is hitting Florida. I hope that if you are reading this, you and your family are safe, dry, and warm. My thoughts and prayers are with you.

I debated making this announcement today... but because so many of you have been asking about it, I thought maybe for some it would bring a bit of light.

The audiobook for SILENCED is coming... October 24th! It's on preorder right now. It is performed in duet narration by **Jason Clarke** and **Celestine Wolf**. When I tell you that Jason Clarke can *do* a Russian accent like no other... And how he just nailed Nikolai's grumpy persona... As for Celestine Wolf, she is the perfect balanced of softness and bite which is why Cassie is deliciously right for Nikolai! Now that I've heard their performances, I swear Nikolai and Cassie speak to me in their voices.

Come join me in my [Reader Group](#) on Facebook or follow me on [INSTAGRAM](#) to catch a sample of their voices...

Thank you, as always, for your support. It means the world to me. And please let me know how you're doing if you were in the path of Helene or Milton!

Much love,
