## BAD BOYS YOU WANT TO TAKE HOME

**Book Store - Merch Store - Audiobook Store - Reader Group**

*Trev 2024 Limited Edition Ornament*

Hello Lovelies!

I am so ready for Christmas, and so is Mumsy. Our tree is already up and I make zero apologies for it! :D It's also why I've added a bunch of ornaments and candles and stocking stuffers to my **merch shop**, on top of hoodies and tshirts and so much more! Team Gemma even surprised me with a limited edition ornament featuring my boy, Trev. <3

My friend, *Helena Hunting*, is also releasing **If You Need Me**, a new hockey romance today! Now, if you loved Liam's 'if he wanted to, he would' approach to courting

Gracie, then you will love Dallas! Here is an excerpt to give you a little taste of their dynamic:

## Excerpt of 'If You Need Me'

by Helena Hunting

I stop at the light. Traffic is stupid because of the rain. Normally the drive to her place takes five minutes, but we're crawling today. "I'm your fiancé. If you have needs, I will meet them."

"Oh my God, just stop." She crosses her arms. "We're not actually together."

"I'm serious, Wills. You need to get off, I will make that happen for you. However you want it to happen. You want me to finger fuck you to orgasm? My hands are yours. Wanna sit on my face? My tongue is ready. You want to ride my cock? I'm already hard." I point at my crotch.

She shakes her head. "You've lost your mind. I'm not going to have sex with you."

I make a right into her parking garage.

"What are you doing?"

"Parking." I pull into a visitor spot. "I got you into this mess. Use me."

Her eyes move over me in a way that jacks me right up. I shift and stretch my arm across the back of her seat. "Please." I wet my bottom lip. "Let me be the one to make it better."

"You're actually serious," she murmurs.

"A thousand percent."

Her eyes roll up to the ceiling and she mutters, "I can't believe I'm entertaining this."

"Is that a yes? Can I get you off right now?"
