

## BAD BOYS YOU WANT TO TAKE HOME

**Book Store - Merch Store - Audiobook Store - Reader Group**

Hey lovelies!

I started watching an anime show on Netflix called My Happy Marriage. I'm not entirely sure what's going on but I think I'm loving it? LOL. I mean... I watched four episodes in one night. That's a positive, yeah?

Speaking of positives, you might have seen my good news update this week - I hit 73k words on the first book of Stan's duet!! YAY! It'll be with the editor soon. :D No release dates as of yet but you'll be the first to hear when I have gossip on that front. ;)

While I'm speaking of characters you wanna hear from, how do we feel about a bonus scene this month? *Drop me a line about a character you're eager to hear from!* You never know I just might pick your suggestion. ;)

I have some more good news!

Only with this [link](#) can you grab the **audiobook for FILTHY LIES** for **99c** for the next 48h! I know, I know. That's an amazing deal! Over 12 hours of deliciousness for you to enjoy when purchased via my website—I love to spoil you. ;)

If you're new to my world, Filthy Lies is the first book in a complete, standalone duet. Here's the blurb!

**Star's my penguin. She doesn't know it.**

**She took off. Sure.**

**I'm mad at her. Sure.**

**But that's her charm. She's ornery. Difficult. Impossible to love, but I see her BS. And I call her on it.**

**I'll chase her from the North Pole to Antarctica. This Fecker isn't about to lose his soul mate.**

Oooh, ooh, and check out my Instagram: because a certain someone, *coughs* Conor, has been busy over his Instagram stories! ;) And if you're not a fan of Instagram, you can always check it out on **Pigeon Creek Herald** where we have an exclusive collab column with I Told You So!!! (Psst... it's screenreader friendly <3)

Happy listening!
