Hi lovelies!

When the world goes to hell in a hand basket, there's always hockey!

The Maple Leafs beat the Canadiens! Ohhh, what a night! To top it off, Papi (Auston Matthews and my hockey-player inspo [with a dash of Gretzky's stats for good measure] for Liam) almost scored with a Michigan vs. TBL. Gah. That was some save.

I've been busy writing a few books this week. All at once. Fun! Not. LOL. But I kicked off with Stan and then got a little waylaid by a certain Forgotten Boy... IYKYK. Then I had some bonus scenes to write for a certain special edition that's coming up... Oh, yes. Can't wait to show you those!

Anyhoo, I have a few goodies for you this week!

Firstly, Diane wrote in (thank you, Diane!) and asked for a bonus update from Rex and Rachel so... **here you go!** Whenever I put out a call, be sure to email in with your request because you never know who'll inspire me! ;) This might seem a little OOC but I was really digging Rach getting all possessive. Ya know, taking a few lessons from Giulia. :P

Another goodie I have for you this week is **FILTHY SECRET** is on sale! For one day only, you can grab this angsty, heart-wrenching, family-saga-esque tale for just 99c! But it's available at that price for a very limited time. <3

Oh, and before I forget, you should probably check out my Instagram or **I Told You So's** column for an update from your favorite characters! ;)

Much love,

Rex & Rachel Bonus Scene

Rachel: Remind me why I'm your Old Lady

Rex: What? Do I need to come back to the house and show you?

Rachel: I'm not at the house

Rex: Then where are you?

Rachel: The clubhouse

Rex: You ARE?! Where? Why didn't you come through to my office?

Rachel: Who the hell is Candy?

Rex: I don't know

Rachel: Seriously? Whenever your name is goddamn mentioned, her eyes light up, never mind the shit she's been saying about you

Rex: Candy?

Rex: I've seriously no idea who she is. Wait a second

Rachel: *rolls eyes

TRUST THE PUSH

BY NY TIMES BESTSELLING AUTHOR KAYLEE RYAN

Racing is my drug, but she's my addiction...

Blaine

My career is the only thing that matters. Until a redheaded bombshell drops into my life, proving to be the ultimate distraction. I should have seen the caution flag for what it was, but ever since Aubree's path crossed into my own, I've been in a tailspin trying to recover.

With back-to-back championships under my belt, I'm making a name for myself in the world of dirt late model racing. I'm determined to win a third and be the youngest driver in history to do so. She's pushing at my walls, and I'm trusting her, letting them fall.

Aubree

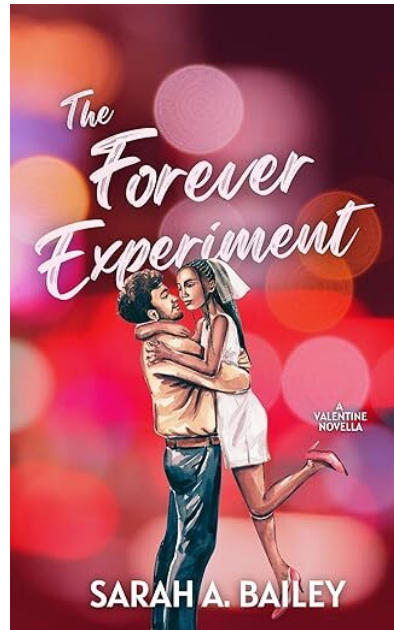

The last place I expect to find love is on the sidelines of a racetrack, but the moment we met, something inside me shifted. I know nothing about racing, but when my boss came to me with a once in a lifetime opportunity to see the United States, I took it.

Now, here I am, traveling from city to city engrossed in this new world of dirt tracks, pushed out of my comfort zone, and into the arms of the hottie race-car driver who revs my engine.

We made a deal— friends with benefits until the end of the season. Then we would go our separate ways. The only problem, I'm not so sure I want him to let me go. From the start to the finish line, I'll have to learn to trust the push.
