Hi lovelies!

Well, as some of you who follow me on Instagram may know, I picked up crocheting in August last year and it's got its hook deep in me. I'm trying to learn how to knit too but, damn, it's so much harder. Please, send help. LOL. If you have any tips on how to improve my knitting game so I can start whipping up some of the gorgeous patterns out there (KnitRowan? HELLO. Drool alert.) please, let me know!

I'm so deep into this craft that I'm thinking I might need a heroine to be into crocheting too lol. Or maybe a hero. Hahaha. How fabulous would that be? Unaliving is his fame, crocheting is his game. You know what? I think I'm going to do it!! Watch this space!

BTW, if you're a Quintessence fan, the hardback editions, exclusive to my website, are on sale! You can grab all three, **HERS TO KEEP**, **THEIRS TO CHERISH**, and **HERS TO HOLD** for only \$50! That's a saving of \$20 on exclusive editions! This bundle won't be available at this price again. Click [here](#) to order today!

Oh, and before I forget, you should probably check out my Instagram or **I Told You So's** column for an update from your favorite characters! ;)

Much love,
Happy reading!
