Hi lovelies!

Last week, you guys blew me away! I'm so lucky to have you in my life! I happened to mention in the newsletter that I was struggling on the knitting front - you sent me emails, dropped into my DMs, even posted in my Diva reader group. Tips, hints, advice - all of it!

You'll be glad to know that I pushed through. One of you (thank you, Kindra!) said that I'd be better off sticking with one or two projects until I was more comfortable with it. Well, I sort of listened as I pouted through this particular pattern that's been driving me nuts. I tried to adapt it to crochet/Tunisian crochet but to no avail. The only solution was to knit it lol. And here we are:

OMG, guys, I'm so proud of myself! Thank you for your support!

Now, admittedly, this isn't a knitting newsletter LMAO, so I'd best get onto the meat of the reason I emailed you!

Firstly, it's that time of the month - email me with who you'd like to see in a bonus scene! I know you guys can do it. ;) Last time, you were super shy! Reply to this email with your favorite character - you never know who my muse will pick!

Secondly, I have a goodie for you! **Waiting Game's** audiobook is only \$2.25 when you purchase via **my website!** This is exclusive to my newsletter as a massive thank YOU for being here.

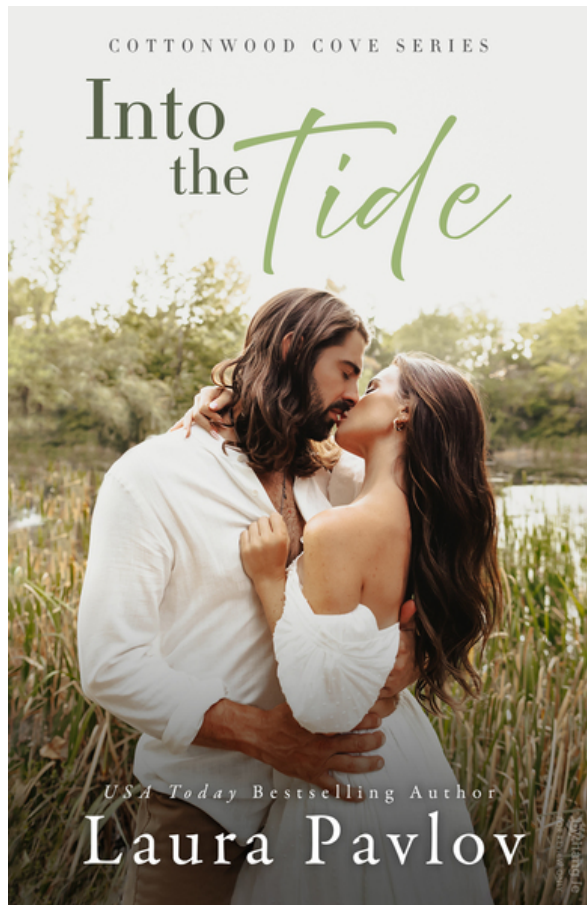

Oh, and before I forget, you should probably check out my Instagram or **I Told You So's** column for an update from your favorite characters! ;)

Much love and happy listening,  
Serena/ Gem xo

Lila James is my best friend's little sister and I've always looked out for her.

She's five years younger than me, and when she left for college, she was just a kid.

But now she's home for the summer—and she's definitely not a kid anymore.

She's beautiful and smart and everything I didn't know I needed.
