Why, hello there, my lovely Valentine's!
Okay, okay. I'm a romance writer. That means I kinda have to love this day, right? Well, not really. :P Hey, I won't lie to you guys! It's just not my thing. But that doesn't mean I'm going to diss your day if you love it and if it makes you happy. <3

I'll even add to the joy because I'm all about spreading the happiness in these darker times! Not only is **His To Hold 99c** for two days only but I have a bonus scene for you (scroll down to read it)! It's even extra ooey 'Nutella-laced pancakes with extra strawbs and hazelnuts and molten chocolate' gooey. Too much? Well, fear not. My heroes are far better at Valentine's Day than I am! :D How are you celebrating the day? Aside from reading this bonus scene and downloading His To Hold, that is. ;) Drop me an email and tell me if you love or loathe the day of lurrrrve.

Oh, and before I forget, you should probably check out my Instagram or **I Told You So's** column for an update from your favorite characters! ;)

Much love,
Serena/ Gem xo

Link and Lily Bonus Scene!

"I've been thinking about this, sugar tits. And you and me, our DNA would cross over

perfectly and the world needs more of you—” Breaking off, I shook my head. “Nah. I can’t call her sugar tits. Not when I’m asking her to be the mother of my baby. ‘Look, Lily, I think your pussy is my home and I’d like to put an embryo in there?’”

Nyx groaned. “Why are you talking to me about this?!”

I shoved him in the arm. “Who did you come whining to when Giulia’s nipple almost fell off, huh? I had to learn that. So you can help me—”

“—almost lose your Old Lady’s nipple too?”
