Hi loves!

Well, my darlings, how did Valentine's week treat you? I hope that it was all you wanted it to be and that, if it wasn't, you hid an open can of tuna in your husband's car so that his memory can reboot!

Hey, you didn't think Dead To Me and Star and Giulia just popped up out of nowhere, did you? It's always the quiet ones... who write the crazy loud ones!

Speaking of which... did you see that little update on my social media? About our good lady Cin! Oh, yes. I've been writing her book this week. The thing about burnout and writer's block et al. is that a change is often as good as a rest. I had to mind-map how the next five or six books will go and, if you've been with me a long time, then you'll know that I'm a fly-by-the-seat-of-my-pants kind of writer who has a minimal outline for one story and an overarching theme for the series and not someone who loves to plot multiple books at a time. However, these upcoming titles are going to blow your freakin' minds. I cannot wait for you to meet this new cast of characters who are coming your way.

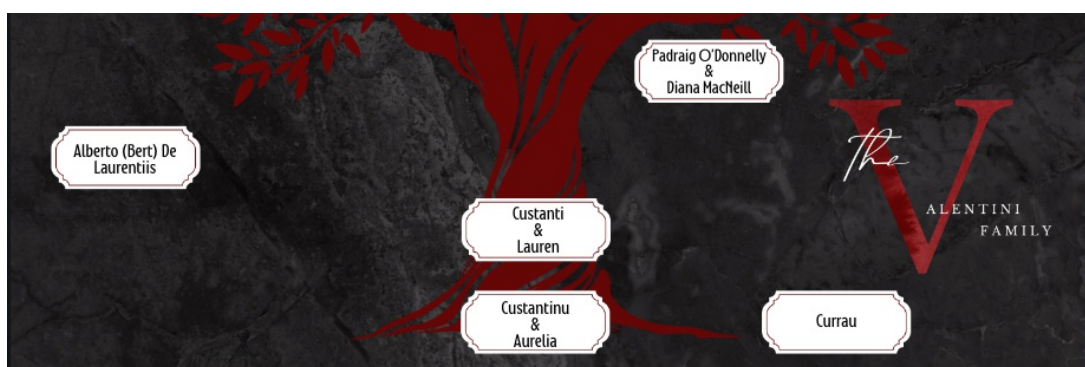

Dead To Me just... gaaaaaah, girl crush alert!

And you'll see her sooner than you think, as well as some YUM cameos in Stan's upcoming duet. I haven't finished writing the second book yet - I'm about a third of the way through but now that the universe plot is set, I can't wait to dive in and get these love birds on track!

Last week, The Consigliere went viral on booktok and Bookstagram and it hit #67 in the US! The power of those two machines is amazing but I want to thank each and every one of you for helping it get there. It was such beautiful timing too - what with Stan coming into the world this year.

To celebrate, I have a **50% discount on The Consigliere paperback** in my store and only through this newsletter link- that's ten bucks (+S&H)!

Then, let's compound that with a Valentini family tree! How beautiful is this? (You'll need to click on the image above to get you to the whole tree!) You can thank Team Gemma for that because, holy hell, this is beyond me. LOL. I just make the world, I don't know how to keep it in line :P

And, yes, you may have noticed that I'm getting you back into the Sicilian way of life

with a bang!

Oh, and before I forget, you should probably check out my Instagram or **I Told You So's** column for an update from Rory! ;)

Thank you so much for everything, my darlings. Without you, there are no Serena books. <3

Much love,

Serena/ Gem xo
