## Book Store - Merch Store - Audiobook Store - Reader Group

Hi lovelies!

Well, I won't lie to you - I'm glad this week is almost over!

How about you? How's your week treated you?

Mine's been all over the place. But the first draft of Stan's duet is officially complete!

Squeeeeee. I'm so relieved! I know, I know. That sounds strange. I'm a writer.

Finishing books is what I do. But when you lose your mojo, it feels as if everything's turned upside down.

I can't wait to get started on the edits, but now that Stan's done, I'm focusing on Cody's story. Fun fact: Cody's first draft has been sitting in my Pages, just waiting for me to crack open the file! I don't normally put off edits, but I have this time. I'm not too upset about it, though. Reading Cody and Tee's story is like reading them fresh because I finished this back in September lol. I love Cody but Tee just cracks me up. The stuff she says has me smiling like a loon - I hope you fall for them both!

At the same time, Forgotten Boys' fans will be happy to know that I'm currently working on Dmitri's story! I set myself a 1k words a day challenge. It's a little depressing because I used to write 10k words a day lol, but this is manageable and it's something I can do while working on edits. Which appears to be my upcoming future for the next month or so lol.

Dmitri's story is already haunting me. Dead To Me's is making me laugh. It's an interesting mix, hehe.

I'm on Day 24 of my 1k a day challenge - an unbroken streak. Woot! And 18k words in the writing bank!!

Speaking of the Forgotten Boys... **I Told You So** has been stalking me. :O  
You should probably check out I Told You So's column for an update from ME! :O  
It all started with this little argument I recently had. Just scroll down to read that 'discussion' between Dead To Me, Maxim, and a few others who decided to gang up on me!

But, before you scroll, if you didn't know I write paranormal too! **Caelum**, a complete trilogy in one collection, normally 9.99, is only 2.99 for a limited time only! This is your chance to grab it while it's at such a fab price. :D

Here's what you can expect from **Caelum**:

- \* Why Choose
- \* Paranormal
- \* Academy
- \* Fated mates
- \* Knotting
- \* 7 mates
- \* Narrated by Jennifer Jill Araya & Austin Rising

Much love and happy reading,

Serena/ Gem xo

## Chaos AKA when my characters drop into my DMs

**Dead To Me:** taps mic

**Dead To Me:** I've called you all here for a town hall meeting.

**Maxim:** How did you get my number?

**Dead To Me:** PURlease. Like it's hard to find?

**Cody:** Who is this?

**Stan:** Fuck off, Dead To Me. I don't have time for this.

**Matt:** Who the hell are you guys?

**Serena:** Um. I think I may have been added to this group chat by mistake.

**Dead To Me:** Oh, no, missy. @Serena, you are the reason for this town hall! Now, what the fuck is going on?

**Serena:** What do you mean?
