Hi lovelies!

How's your week treating you?

I know you've heard from me twice and that's not something you usually see from me but I figured you'll forgive me my last newsletter seeing as I came into your inboxes with a massive Fecker-shaped saving. I also have some wonderful goodies for you today!

Did you get up to any mischief on St. Paddy's? I hope you did. I, on the other hand, didn't! I'm not actually a drinker lol so stout is like drinking pencil-shaving water to me.

Sacrilege? Maybe. I'm sure Aidan Sr. will be very unhappy with me. ;)

I, on the other hand, was very happy with the Leafs' St. Patrick's performance. :P I started watching Bergerac this week. For US viewers, you might not know of it? On the other hand, you might! It's a reboot of a British classic and I know they sometimes are beloved across the Pond. I'm really enjoying it so far but then I love crime thrillers. My faves are Scandi Noirs. I was so annoyed when I read they weren't renewing Young Wallander. It seems like all my faves never get renewed *sobs* but then they reboot the same stuff? Not me pouting, hehe.

Anyhoo, you'll be pleased to know that I got the second round of edits back to my editor for Cody's story! Squee.

So many of you loved my argument with my characters last week lol but, as much as Maxim's abrasive ways annoyed you, he clearly shoved some sense into me because I got right on with **CBTM**. Oh, yes. NL exclusive. ;) The abbreviation of the title. Eeeep.

To celebrate, this week's goodie comes in the form of a freebie! You can grab **STEEL** for free for ONE day only! You read that right so go over to Amazon now and get yourself a
